African Origins of Monotheism Gwinyai H. Muzorewa, 2014-10-29 African Origins of Monotheism recasts an African knowledge of God in a new and original way It aims to recapture concepts of God as originally reflected upon by pristine African religious thinkers Muzorewa is seeking after the traditional African understandings of the Divine which trace their origins back before the rise of Judaism Christianity and Islam Monotheism he maintains is the ancient view of God ubiquitous across the continent of Africa indeed monotheism comes out of Africa The book challenges the way that the idea of God has been manipulated by Eurocentric agendas by colonizers enslavers and empire builders all of whom were using God talk to achieve their own personal ends In African thinking the God concept is guided by a sense of the presence of the all pervasive and omnipresent God which has instilled in the people a sense of respect for life at all costs Thus respect is not based on a commandment or on fear but on a propensity for affinity

Walking with Daemonic Spirits Taylor Ellwood, 2025-03-11 In *Walking with Daemonic Spirits* I introduce my unique system for working with daemonic spirits a practice designed to deliver better and more consistent results Traditional grimoire based magic often relies on coercive methods for interacting with daemons While this approach may yield some results it comes with significant downsides such as the need for constant vigilance and unpredictable outcomes My approach takes a different path encouraging the cultivation of long term collaborative relationships with daemonic spirits In this book you will learn My practice of effortless evocation that creates consistent and powerful communication with the spirits Identify the right daemons to work with and leverage their wisdom and influence to your advantage How to collaborate with daemons for healing cursing magical tool creation and much more Working with daemonic spirits doesn t have to involve complicated magical rituals or coercive practices It does require being willing to step out of the box of conventional occultism to create your relationships with the spirits on your terms Let me show you how to do that and get better results with your spirit work
