Conversion and Discipleship Bill Hull,2016-01-12 Discipleship occurs when someone answers the call to learn from Jesus how to live his or her life as though Jesus were living it The end result is that the disciple becomes the kind of person who naturally does what Jesus did How the church understands salvation and the gospel is the key to recovering a biblical theology of discipleship Our doctrines of grace and salvation in some cases actually prevent us from creating an expectation that we are to be disciples of Jesus A person can

profess to be a Christian and yet still live under the impression that they don't need to actually follow Jesus. Being a follower is seen as an optional add-on, not a requirement. It is a choice, not a demand. Being a Christian today has no connection with the biblical idea that we are formed into the image of Christ. In this groundbreaking new book, pastor and author Bill Hull shows why our existing models of evangelism and discipleship fail to actually produce followers of Jesus. He looks at the importance of recovering a robust view of the gospel and taking seriously the connection between conversion, answering the call to follow Jesus, and discipleship, living like the one we claim to follow. *Marc's of a Disciple* Robby Gallaty, 2016-07-26

How can I know if my disciple-making efforts are effective? How can I know if people are growing spiritually? Have you ever asked these questions? If so, you are not alone. Many disciple-makers regularly struggle with these issues. While attendance and baptisms are easily counted, measuring the spiritual maturity of our people is not quite so simple. To make matters worse, an unfortunate reality of our day is that pastors are graded on how big their churches are, and not how mature their people have become. Sadly, the American church has adopted business metrics to grow churches rather than biblical methods for growing disciples. In *MARCS of a Disciple*, Pastor Robby Gallaty provides a biblical guide for gauging spiritual growth. Mature disciples are Missional, Accountable, Reproducible, Communal, and Scriptural. Use this book as a measuring stick to determine the health and effectiveness of disciple-making in your church and personal life. Jesus didn't leave the maturity of his disciples to chance; neither should we. [What Is a Disciple and How Do You Make One?](#) Mark Swiger, 2015-09

In many ways, the church has become more adept at adding members than preparing true Christian disciples. Author and evangelist Mark Swiger believes that bringing souls to Christ and then nurturing them to Christ-like maturity requires an approach that is different from the methods often employed today. Many congregations do not have a clear plan in place for seeing every believer grow to fruitfulness and spiritual maturity. Adding to this problem, sometimes pastors struggle with knowing how to equip others for the work of the ministry. Swiger has developed a Spirit-led manual for disciples and those who lead them. Part I of his book is for everyone, since every believer is first and foremost a disciple of Jesus. Part II speaks to the particular needs of pastors and leaders who are charged with discipling others. This interactive, biblically based handbook is designed to help the church rediscover the eternal disciple-making truths and examples found in the Scriptures. God's Word still has the power to transform ordinary believers into disciples who can turn the world upside down. **Intentional** Brandon Guindon, 2023-09-12

Rediscover the intentional disciple-making methods of Jesus Christ. Today's churches and their leaders relentlessly pursue innovation of the next new idea that will somehow capture the attention of the spiritually lost. Yet very few Christians know how to walk out a day-to-day lifestyle of intentional disciple-making. Drawing from decades of experience making disciples, pastor Brandon Guindon will show you how Jesus' call to "Go and Make Disciples" can become more than just a vague church slogan when we relearn the discipleship methods that Jesus modeled for us. *Intentional* introduces eight principles of disciple-making, exposing their gospel roots and practical nature. Principles such as "Listening with the genuine

intent to understand different voices and experiences Looking for and developing the potential in others Knowing when to firmly speak the truth and when to allow yourself to be interrupted Living a lifestyle of discipleship yourself Jesus Christ intentionally discipled twelve people every day for three and a half years and then commanded us to go and make disciples as well And he empowered us by sending us the indwelling Holy Spirit to guide us The early church thrived and expanded by imitating the intentional relational methods Jesus modeled yet somewhere along the way we lost sight of the simple truth that Jesus methods of disciple making are as holy as his message It s time relearn those methods examine the obstacles in our lives that prevent us from imitating the ancient ways of Christ and approach all our relationships differently making disciples in Jesus name and growing spiritually in the process

Transforming Discipleship Greg Ogden,2016-09-02 Greg Ogden recovers Jesus method of accomplishing life change by investing in just a few people at a time In this revised and updated edition Ogden sets forth his vision for transforming both the individual disciple and discipleship itself showing how discipleship can become a self replicating process with ongoing impact from generation to generation
