American Defector Paperback:

Defectors Paola Ramos, 2025-09-09 AN NPR BEST BOOK OF 2024 An award winning journalist s exploration of how race identity and political trauma have influenced the rise in far right sentiment among Latinos and how this group can shape American politics A deeply reported surprisingly personal exploration of a phenomenon that is little understood in our politics the affiliation of Latino voters with causes and candidates that would seem at first glance unwelcoming to them Rachel Maddow Democrats have historically assumed they can rely on the Latino vote but recent elections have called that loyalty into question In fact despite his vociferous anti immigrant rhetoric and disastrous border policies Trump won a higher percentage of the Latino vote in 2020 than he did in 2016 Now journalist Paola Ramos pulls back the curtain on these voters traveling around the country to uncover what motivates them to vote for and support issues that seem so at odds with their self interest From coast to coast cities to rural towns Defectors introduces readers to underdog GOP candidates January 6th insurrectionists Evangelical pastors and culture war crusaders aiming to identify the influences at the heart of this rightward shift Through their stories Ramos shows how tribalism traditionalism and political trauma within the Latino community has been weaponized to radicalize and convert voters who like many of their white counterparts are fearful of losing their place in American society Cross cultural and assiduously reported Defectors highlights how one of America s most powerful and misunderstood electorates may come to define the future of American politics *Bulletin - U.S. Coast Guard Academy Alumni Association* United States Coast Guard Academy. Alumni Association, 1987 Defectors Joseph Kanon, 2017-06-06 The bestselling author of *Leaving Berlin* and *Istanbul Passage* continues to demonstrate that he is up there with the very best of spy thriller writers The Times UK with this fascinating The Washington Post novel about two brothers bound by blood but divided by loyalty In 1949 Frank Weeks agent of the newly formed CIA was exposed as a Communist spy and fled the country to vanish behind the Iron Curtain Now twelve years later he has written his memoirs a KGB approved project almost certain to be an international bestseller and has asked his brother Simon a publisher to come to Moscow to edit the manuscript It s a reunion Simon both dreads and longs for The book is sure to be filled with mischief and misinformation Frank s motives suspect the CIA hostile But the chance to see Frank his adored older brother proves irresistible And at first Frank is still Frank the same charm the same jokes the same bond of affection that transcends ideology Then Simon begins to glimpse another Frank capable of treachery and actively working for the service He finds himself dragged into the middle of Frank s new scheme caught between the KGB and the CIA in a fatal cat and mouse game that only one of the brothers is likely to survive A finely paced Cold War thriller with Kanon s usual flair for atmospheric detail intriguing characters and suspenseful action Library Journal Defectors takes us to the heart of a world of secrets where even the people we know best can t be trusted and murder is just collateral damage A Checklist of Vietnam War Literature, 1994 **Golda Meir: an American Defector** Glenn O.
