the studio both prerecorded and more impressively live in real time From the front lines of World War II to his role as Chief of Special Projects for United Nations Radio and his influence on media today the political and social aspect of Corwin s work is woven into these essays With a foreword by Michele Hilmes and contributions from Thomas Doherty Mary Ann Watson Shawn VanCour David Ossman and others this volume cements Corwin s reputation as perhaps the greatest writer in the history of radio while also showing that his long career is a neglected model of multimedia authorship Provided by publisher
