

The **CHAKRA**
Workbook

A step-by-step guide to chakra healing by experience,
and realigning your body's vital energies

Chakra Workbook

Melissa Field

Chakra Workbook:

Chakra Workbook Pauline Wills, 2017-11-21 Awaken and revitalize your own natural energy with this ultimate guide to balancing your chakras. When our chakras, the spinning wheels of energy in the body's aura, are in harmony, we feel vital and energetic. But when they become unbalanced, we quickly become tired and out of sorts. Drawing on ancient Indian healing systems, Pauline Wills puts us on the path to spiritual, emotional, and physical well-being, as she explains where the seven major centers are located, how they are linked, and how they influence our health and happiness. Practical exercises, which range from color work, reflexology, and yoga to meditation and mantras, provide a chakra workout that balances each one in turn. *A Chakra & Kundalini Workbook* Jonn Mumford, 1994 By spending just a few minutes each day performing these Yoga techniques, men and women can create inner relaxation, leading to better health, a longer life, and greater control over one's personal destiny. Tailored for the Western mind, here is one of the clearest, most approachable books ever on experiencing the incredible benefits of Yoga. **Angelus** Erica Jago, Roos van der Kamp, 2020-05 yoga art book for practitioners and teachers. ANGELUS is an experiential chakra workbook that goes beyond the intellectual understanding of the chakras. It presents a pioneering methodology of emotionally connected yoga and visually powerful art as a means to see and feel your body's wisdom. **Chakra Workbook and Journal** Melissa Field, 2019-05-07 This workbook is the companion to the Chakra Balancing and Healing Package. It contains journal prompts, guided visualizations, and more. It links to over twenty audios contained in the package. If you haven't yet purchased the package, please visit my website to learn more. **The ABC's of Chakra Therapy** Deedre Diemer, 2000 The workbook approach of this text should prove useful as an introduction for readers who have some knowledge but need guidance in the area of chakra therapy. This book focuses not just on one method of energy clearing but incorporates a variety of therapies to choose from. Learn to combine powerful healing techniques to enable healing on all levels: physical, mental, and spiritual. *The Chakra Workbook* Anna Voigt, 2008 Chakras are psychic centers of subtle energy in the human body and doorways to a powerful process of transformation. Knowledge of the chakra system comes from the ancient Indian practice of Tantra Yoga. Until modern times, this knowledge was largely transmitted orally from teacher to student. The Chakra Workbook offers a practical and fascinating overview of this ancient spiritual science of physical rejuvenation and spiritual awakening for beginners as well as for devotees wishing to expand their understanding of this subject. With a primary focus on learning by experience, this fully illustrated book features interactive exercises and suggested meditations that help create a more personal approach. The abundance of traditionally based practices will help to strengthen the body, calm the mind, and cleanse the chakra system to promote vitality and well-being. **The Chakra Workbook** Anna Voigt, 2004 Chakras are psychic centers of subtle energy in the human body and doorways to a powerful process of transformation. The Chakra Workbook offers a practical and fascinating overview of this ancient spiritual science of physical rejuvenation and spiritual awakening, including an abundance of
