Practices Claire O'Malley,2009-01-01 **Advanced Consulting in Family Medicine** Peter Worrall,Adrian French,Les Ashton,2018-04-19 What distinguishes the consulting of experienced family doctors from their newly qualified colleagues The question is often frustratingly hard answer clearly or objectively unlike many professions family doctors face a dearth of clear expectations of what constitutes advanced practice a lack of defined standards against which to evaluate it and an absence of expertise related professional training in which to develop it post certification The model of consultation excellence outlined in this book illustrates in practical terms how advanced consulting can be nurtured It avoids tantalising value judgement such as excellence Instead it describes behaviours in terms that can be observed day to day providing a detailed picture of what constitutes advanced consulting behaviour how family doctors can be helped to acquire these higher levels of expertise and how changes in behaviour can be identified and evaluated Advanced Consulting in Family Medicine is written in handbook form for easy access and use and provides a vital vision of higher order family doctor consulting **California.**
