King, Zawawi Ibrahim, Noor Hasharina Hassan, 2016-08-12 This edited book is the first major review of what has been achieved in Borneo Studies to date Chapters in this book situate research on Borneo within the general disciplinary fields of the social sciences with the weight of attention devoted to anthropological research and related fields such as development studies gender studies environmental studies social policy studies and cultural studies Some of the chapters in this book are extended versions of presentations at the Borneo Research Council s international conference hosted by Universiti Brunei Darussalam in June 2012 and a Borneo Studies workshop organised in Brunei in 2012 The volume examines some of the major debates and controversies in Borneo Studies including those which have served to

connect post war research on Borneo to wider scholarship It also assesses some of the more recent contributions and interests of locally based researchers in universities and other institutions in Borneo itself The major strength of the book is the inclusion of a substantial amount of research undertaken by scholars working and teaching within the Southeast Asian region In particular there is an examination of research materials published in the vernacular notably the outpouring of work published in Indonesian by the Institut Dayakologi in Pontianak In doing so the book also addresses the urgent matters which have not received the attention they deserve specifically subjects themes and issues that have already been covered but require further contemplation elaboration and research and the scope for disciplinary and multidisciplinary collaboration in Borneo Studies The book is a valuable resource and reference work for students and researchers interested in social science scholarship on Borneo and for those with wider interests in Indonesia and Malaysia and in the Southeast Asian region

Changing Identities in Southeast Asia David J. Banks,1976 **Formation and Transformation of the Modern State** Jinpyo Yoon,1990 Overseas Chinese Entrepreneurship and Capitalist Development in Southeast Asia Annabelle R. Gambe,2000 The study aims at finding an explanation to the economic development of Southeast Asia To achieve this end Indonesia Malaysia Thailand and the Philippines have been chosen as the foci of the study To explain the region s recent success the study is guided by the hypothesis that overseas Chinese entrepreneurship exercised by a group belonging to a discriminated ethnic minority is an indispensable component of the capitalist development of Southeast Asia Overseas Chinese businesses dominate nearly all branches of the economy of their respective countries of residence On a regional scale they are acknowledged to control two thirds of the region s retail trade The hypothesis of the study is validated by the empirical findings Furthermore the study has arrived at the conclusion that Southeast Asia is host to a type of entrepreneurship Overseas Chinese entrepreneurship that evolved and developed throughout the centuries and proven for its resiliency and risk taking abilities It did not create the boom in the region however Liberal government policies the inflow of huge foreign capital and the availability of cheap and skilled labor among the indigenous population are among the more crucial factors that facilitated this transformation *Regionalismus und regionale Integration* Günther Doeker-Mach,1981 Das internationale politische System hat sich gerade in letzter Zeit zunehmend verändert Im Rahmen des atomaren Gleichgewichts der Grossmächte zeichnet sich eine zunehmend auf geographische Regionen und Einheiten zukommende regionale politische Verantwortung ab In Band 3 und 4 der Reihe Völkerrecht und Internationale Politik haben hochqualifizierte Spezialisten versucht die Fragen der Regionalisierung der Weltpolitik sowohl in theoretischer als auch in praktischer Sicht herauszuarbeiten Mit diesem Band wird nun als wertvolle Ergänzung eine Zusammenstellung der neuesten Literatur zur Regionalismusforschung vorgelegt **Catalogue: Authors** Peabody Museum of Archaeology and Ethnology. Library,1963 Its outstanding feature is the inclusion of journal articles For more than 50 years the periodicals have been indexed as well as compilations such as Festschriften and the proceedings of congresses Philippine Quarterly of Culture
