Changing Times Ireland Since 1898:

The Resurrection of Ireland Michael Laffan, 1999-12-02 Between 1916 and 1923 Ireland experienced a political as well as a military revolution This book examines how after the Easter Rising of 1916 radical revolutionaries formed a precarious coalition with relatively moderate politicians and offers a sustained analysis of the political organisation of Irish republicanism during a crucial period The new Sinn Féin party routed its enemies co-operated uneasily with the underground Irish government which it had helped to create and achieved most of its objectives before disintegrating in 1922 Its rapid collapse should not distract from its achievements in particular its role in democratising the Irish revolution Its successors have dominated the political life of independent Ireland The book studies in detail the party's membership and ideology and also its often tense relationship with the Irish Republican Army A final chapter examines the fluctuating careers of the later Sinn Féin parties throughout the rest of the twentieth century *The Oxford History of the Irish Book, Volume V* Clare Hutton, Patrick Walsh, 2011-06-23 Part of a series providing an authoritative history of the book in Ireland this volume comprehensively outlines the history of 20th century Irish book culture This book embraces all the written and printed traditions and heritages of Ireland and places them in the global context of a worldwide interest in book histories *The Scariff Martyrs* Tomás Mac Conmara, 2021-09-14 This incredible book is very very important Damien Dempsey In November 2008 Tom's Mac Conmara sat with a 105 five year old woman at a nursing home in Clare While gently moving through her memories he asked the east Clare native Do you remember the time that four lads were killed on the Bridge of Killaloe Almost immediately the woman's countenance changed to deep outward sadness Her recollection took him back to 17th November 1920 when news of the brutal death of four men who became known as the Scariff Martyrs was revealed to the local community Late the previous night on the bridge of Killaloe they were shot by British Forces who claimed they had attempted to escape Locals insisted they were murdered A story remembered for 100 years is now fully told This incident presents a remarkable confluence of dimensions The young rebels committed to a cause Their betrayal by a spy their torture and evident refusal to betray comrades the loneliness and liminal nature of their site of death on a bridge The withholding of their dead bodies and their collective burial All these dimensions bequeath a moment which carries an enduring quality that has reverberated across the generations and continues to strike a deep chord within the local landscape of memory in East Clare and beyond *Irish Books in Print & Leabhair Gaeilge i GCló*, 1984 **Fictions of the Irish Literary Revival** John Wilson Foster, 1987 A learned and comprehensive work covering a wide range of major and minor figures Fiction of the Irish Revival remains a valuable and standard sourcebook to the scholarship on late nineteenth and early twentieth century Irish literature and culture *Goodbye to Catholic Ireland* Mary Kenny, 2000 Shadow of a Taxman R. J. C. Adams, 2022-03-21 *Shadow of a Taxman* investigates how the unrecognised Irish Republic's money was solicited collected transmitted and safeguarded as well as who the financial backers were and what might have influenced their decision to contribute The

Republic's quest for funds took its emissaries as far afield as New York Buenos Aires Cape Town and Melbourne as well as virtually every parish in Ireland By selling war bonds to supporters it raised 370 165 from 140 000 people in Ireland and nearly 6m from 300 000 people in the United States These bonds promised a return to subscribers when British forces had left Ireland and an independent Irish Republic was internationally recognised Exploiting newly uncovered documents Shadow of a Taxman reveals the identities of these subscribers Cross referencing with census returns intelligence reports memoirs and IRA membership rolls it provides the first demographic analysis of non combatant supporters of Irish independence on the eve of its realisation It also shows how access to funds shaped the course of the Irish War of Independence and ultimately Irish republicans negotiating position with the British government in 1921
