Changing Villages , 1984 Encyclopedia of Postcolonial Studies John Charles Hawley, 2001-09-30 The collapse of empires has resulted in a remarkable flourishing of indigenous cultures in former colonies The end of the colonial era has also witnessed a renaissance of creativity in the postcolonial world as modern writers embrace their heritage The experience of postcoloniality has also drawn the attention of academics from various disciplines and has given rise to a growing body of scholarship This reference work overviews the present state of postcolonial studies and offers a refreshingly polyphonic treatment of the effects of globalization on literary studies in the 21st century The volume includes more than 150 alphabetically arranged entries on postcolonial studies around the world Entries on individual authors provide brief biographical details but primarily examine the author's handling of postcolonial themes So too entries on theoreticians offer background information and summarize the person's contributions to critical thought Entries on national literatures explore the history of postcoloniality and the ways in which writers have broadly engaged their legacy while those on important topics discuss the theoretical origin and current ramifications of key concepts in postcolonial studies Cross references and cited works for further reading are included while a comprehensive bibliography concludes the volume *Indian Literatures in Diaspora* Sireesha Telugu, 2022-07-08 This book analyses diasporic literatures written in Indian languages written by authors living outside their homeland and contextualize the understanding of migration and migrant identities Examining

diasporic literature produced in Bengali Hindi Malayalam Indian Nepali Odia Punjabi Marathi and Tamil the book argues that writers in the diaspora who choose to write in their vernacular languages attempt to retain their native language for they believe that the loss of the language would lead to the loss of their culture The author answers seminal questions including How are these writers different from mainstream Indian writers who write in English Themes and issues that could be compared to or contrasted with the diasporic literatures written in English are also explored The book offers a significant examination of the nature and dynamics of the multilingual Indian society and culture and its global readership It is the first book on Indian diasporic literature in Indian and transnational languages and a pioneering contribution to the field The book will be of interest to academics in the field of South Asian Studies South Asian literature Asian literature diaspora and literary studies
