Channel Firing The Tragedy Of Exercise Tiger:

Channel Firing Nigel Lewis,1990 **Exercise Tiger** Wendy Lawrance,2017-05-17 Exercise Tiger A series of operations off the South Devon coast in the spring of 1944 rehearsing for the forthcoming D Day landings Shrouded in mystery one of these exercises ended in disaster for over 600 young American servicemen as their operation was discovered by a patrol of German e boats which attacked leaving two LSTs sunk and one badly damaged The secret nature of these exercises some claimed led to a military cover up and many families were not immediately informed of the nature of the deaths of their loved ones Over the months that followed D Day came and went the war ended and there seemed little point in raking over this sorry affair Exercise Tiger became a forgotten chapter in the annals of the Second World War Using archive documents and images this book recounts the history and personal accounts behind this tragic event as well as examining the many subsequent conspiracy theories and exploring the evidence behind them Illustrations 75 black and white photographs

D-Day Assault Mark Khan,2014-05-31 This superb account describes the exercises undertaken on Slapton Sands backed up by first hand accounts from those who were there at the time Military Machines International Preceded by a massive airborne assault the largest amphibious operation ever undertaken began on June 6 1944 D Day Over a fifty mile stretch of heavily fortified French coastline 160 000 Allied troops came ashore on the beaches of Normandy Supported by more than 5 000 ships and 13 000 aircraft they quickly gained a foothold in fortress Europe To plan and execute such a massive military operation successfully required training and beaches The perfect place for the Americans was found in the sleepy South Hams area of South Devon But this choice came at a price Over 20 000 acres of prime agricultural land along with villages and farms were requisitioned The peace of the South Devon coast was soon shattered as the Slapton Sands Assault Training Centre came into being The training however was not without risk During one of the final major coordinated practices Exercise Tiger over 800 men were lost to enemy action whilst traveling by sea to land on the beaches at Slapton Sands Often shrouded in intrigue this disaster has been the subject of conspiracy theories for many years Using the latest information available about this secretive event D Day Assault features all aspects of the military exercises and first hand accounts of those who lived and trained there Western Morning News **Copy-editing** Barbara Horn,2008-12 Based on the Publishing Training Centre s distance learning course and aimed at proofreaders who want to progress to editing and editors who want to learn and improve their skills Reflects British practice and explains some of the important differences in American usage
