## **Chain Of Wisdom:**

The Chain of Wisdom Robert Stims,2003-10 The soulhell stirred within the dark recesses of the void that confined it as it began to feel its master s presence The creature did not wish its slumber to be disturbed because the void was cold and empty a formless cavity of blackness without sound or substance Soon it recognized the presence that reached out to it and it could not resist At long last someone had come to break the dreaded silence that had driven the creature mad At first the presence seemed merely an illusion and only slowly did the soullhell feel its full force It would live again Steal a soul so that it could walk once again upon the earth Sollyhnn awoke with a start unable to rid his mind of the nightmares that had haunted his thoughts for the last twelve evenings He slowly left his bed his mind still caught between dreams and reality and unknowingly began a journey that would take him through worlds he had never imagined existed and years to complete
