Chicago, a Tale of Two Cities Jérôme De Perlinghi, 2021-10-15 A book of photographs shot in Chicago from 2011 to 2018 with a selection of 200 images From Oak Park to Lake Michigan from Evanston to the border with Indiana this books represents over 15 000 miles of walks through the city Two texts written by Thomas Thorp and Fabrice Rouselot will give the readers all the details they need about the project It is important to show photographs that do question our vision and understanding of the world Chicago is the third largest city in America on the surface one of the most pleasant Yet at the same time the dualities of light and dark are ever more present In this book I am the true outsider no family ties like in Shanghai trying to make sense of the world through the use of photography is the ultimate goal By trying to be somewhat invisible the street photographer wants to blend in the crowd but like in any large city tensions can rise I am usually only a few feet away from my subjects Surprisingly these tense moments are not with the people struggling to survive rather with the high society and privileged the people in charge Though the streets belong to everyone and the moving scenes are for

any photographer to grab some would like to control the message Making certain to cross the path of many taking time to acknowledge and walking through the wards of the city it is a tale of two Americas Why are we so divided as a country and remote from each other Can Chicago A Tale of Two Cities encourage us to be more responsive to some of our existential questions in life Chicago at the Turn of the Century in Photographs Larry A. Viskochil,2013-02-19 Rare large format prints offer detailed views of City Hall State Street the Loop Hull House Union Station many other landmarks circa 1904 1913 Introduction Captions Maps **Chicago Under Glass** Mark Jacob,Richard Cahan,Chicago History Museum,2007 The Chicago Daily News boasted the inventive aggressive writing of such luminaries as Carl Sandburg and Ben Hecht It was also one of the first newspapers in the country to attract new readers by featuring black and white photography Chicago in Focus Dream Town (Firm),2010-12-21 Showing Chicago through the eyes of its people the photographs in this book go beyond the major tourist destinations and exhibit a multifaceted celebration of what life is like in Chicago Collected from public involvement in a photo competition the results are as diverse and beautiful as the individuals who give the city its distinct and beloved personality The 75 featured photographers are local residents which provides different perspectives and types of photography from portraits to landscapes to architecture offering a unique compilation of memories inspirations expressions and dreams *A Photo Tour of Chicago* Christian Heeb,2005 Be blown away by the Windy City with this beautiful coffee table book Spectacular color photos including panoramics takes the reader on a virtual tour of Chicago

City Spaces Bob Thall,Ross Miller,2002-01 My history as a Chicagoan my history as a photographer the history of the city and in a small way the history of photography without any plan or anticipation these photographs brought these histories together for me City Spaces will be a welcome addition to those interested in fine art photography architecture Chicago and the urban scene BOOK JACKET Above Chicago Nina Gruener,2013-09-03 Join Cam on his third adventure Above San Francisco and Above New York as he explores Chicago from above His imagination affords him the flight of a lifetime as he takes off from Millenium Park in his airplane and soars high above Wrigley Field Lake Michigan the Magnificent Mile Grant Park and more The beloved photographs of Robert Cameron and the Windy City take on a child like wonder when viewed through the eyes of Cam from his airplane *Chicago Photo Guide* ,2017-06 **Chicago - a City Above All** Barry Butler,2020-05 photographic work of the city of Chicago *Remembering Chicago* ,2010-05-10 With a selection of fine historic images from his bestselling book Historic Photos of Chicago Russell Lewis provides a valuable and revealing historical retrospective on the growth and development of Chicago Chicago s history is a testimony to the resilience of its citizens From its rebirth after the Great Fire in 1871 the city met and overcame the social and economic challenges of the century to follow Many of the events of the city s history are recorded in photographs in the archives of the Chicago History Museum This volume Remembering Chicago captures the city s history through a selection of those photographs The book follows life government education and events spanning two centuries of Chicago s history It captures unique and rare scenes

through the original lens of more than a hundred historic photographs These images portray the evolution of Chicago from a frontier town to one of the world's most cosmopolitan cities

Sidewalks Rick Kogan, 2006 Few people know Chicago as do Rick Kogan and Charles Osgood and their *Sidewalks* column for the Chicago Tribune Sunday Magazine is a tour of the city like no other taking readers to the off beat and quintessential spots that give Chicago its character that make its inhabitants feel at home and tell its visitors that they have arrived Accompanied by evocative color photographs by Charles Osgood Kogan's pieces revisit the lost places and people of Chicago and take readers down the quiet byways and thriving thoroughfares pointing out the characters and cornerstones the oddities and institutions that make the city what it is In this collection you will find an elegy for Maxwell Street the marketplace that pulsed with city life for more than 100 years a remembrance of a disturbing advertisement Are you a slave to housework on the side of a building on Irving Park Road a cross marking a deadly intersection a magical miniature golf course as well as ballad singer Fred Holstein the denizens of the World Gym and memories of Bensinger's pool hall the day camp kids of summer bike couriers the creatures of the beach and much much more Here is Chicago past present and let's hope future captured in the unique archive of *Sidewalks* Publisher's website

At City's Edge Bob Thall, 2005 An iron gray slate on a cold and blustery day a respite from the summer heat the engine of the city's notorious blizzards Lake Michigan is an integral part of the landscape of Chicago Bob Thall has been photographing the skyline and streets of Chicago for over thirty years and here in *At City's Edge* he chronicles the twenty five mile shoreline where the asphalt meets the inland sea Thall's stark yet rich images take viewers from the Evanston border on the North Shore down to 100th Street on the South Side documenting the natural scenery architectural structures and people that populate the coastline From the lakefront parks to summer beaches to the Air and Water Show Chicago unfolds Lake Michigan into its urban character but Thall's images make clear that the lake remains a dynamic and powerful force with nature and civilization clashing at its rim *At City's Edge* brings the lakefront to life in all its complexity chronicling in its elegant visual sequence the sand covered city beaches the rock studded shoreline the running paths and the buildings built along this unique intersection Thall writes Since the age of five or six I've spent much of my life at the beach not only in the summer but throughout the year I can't imagine my life in this city without Lake Michigan nearby *At City's Edge* redefines the shores of Lake Michigan as a vital element in the urban landscape of Chicago and reveals the complex forces that shape the lakefront as one of Chicago's most public communal spaces

Barrio Paul D'Amato, 2006 *Barrio* collects ninety of these striking color images along with D'Amato's fascinating account of his time photographing Mexican Chicago and his acceptance often grudging after threatened violence into the heart of the city's Mexican community Jacket

Chicago Michael F. Williams, Richard Cahan, Bruce Moffat, 2007-01-01 For close to 150 years photographers have documented the construction of Chicago's public transportation system They photographed the building of the city's famous L lines and subway tunnels And they photographed the streetcars that glided through city streets For the first time these

photos in the Chicago Transit Authority archive are available in Chicago City on the Move The book shows Chicago in a new light It presents a history of the city through mass transportation But this is not a book of nostalgia Although the photos are decades old the subject is very much alive Take a trip on the Blue Geese the Green Hornets and the Old Reds This is your chance to see Chicago as it was and better understand Chicago as it is This is a book for people who love transportation who love photography and who love the city on the move Two hundred and fifty pictures in duotone
