Crisis TV María del Carmen Caña Jiménez, Vinodh Venkatesh, 2024-11-01 Crisis TV addresses the motif of crisis that has come to dominate contemporary Hispanic televisual production since 2008 and the onset of the global financial crisis In almost unprecedented fashion the global economy came to a standstill reshaping both geopolitical organizations and more importantly the lives of billions across the globe The Great Recession sociopolitical instabilities the rise of extremist political parties and governments and a worldwide pandemic have resulted in a mode of crisis that pervades contemporary television fiction 2008 also marks a revolution in television as local and global streaming services began to gain market share and even overtake traditional over the air transmission The essays in Crisis TV identify and analyze the narrative tropes and aesthetic qualities of Hispanic television post 2008 to understand how different regions and genres have negotiated these intersecting crises and changing dynamics in production dissemination and consumption

Independent Women Claire Perkins, Michele Schreiber, 2021-06-07 Independent Women From Film to Television explores the significance for feminism of the increasing representation of women on and behind the screen in television contexts around the world Independent has functioned throughout film and television history as an important euphemism for feminist This volume investigates how this connection plays out in a contemporary environment that popular feminist discourse is constructing as a golden age of television for women The original essays in the volume offer insights into how post network television is being valued as a new site of independent production for women They also examine how these connotations of creative control influence perceptions of both female creators and their content as feminist Together they provide a compelling perspective on the feminist consequences of how independence and indie have intensified as cultural sensibilities that coincide and engage with the digital transformation of television during the first decades of the 21st century The chapters in this book were originally published in a special issue of Feminist Media Studies

Televising Restoration Spain David R. George, Jr., Wan Sonya Tang, 2018-09-10 This edited volume examines the historical political cultural and aesthetic implications of re visiting Restoration Spain 1874 1931 in television costume dramas produced since 2000 Contributors analyze from different theoretical approaches and disciplinary perspectives the appeal that the late nineteenth and early twentieth centuries hold for twenty first century Spanish audiences as well as for international viewers who consume these programs through new media platforms Themes and issues explored include the production of televisual heritage representations of period technologies evolving constructions of gender hybridization of television genres and television as historian Expanding the scope of inquiry in Spanish media studies this collection seeks to bring Spain into wider discussions of media and historical representation and visual and material culture in Europe the Americas and beyond

Merchants Record and Show Window, 1928 **Monographic Series** Library of Congress, **The People's Dictator** Alejandro Quiroga, 2025-01-29

This book is the first major biography of General Miguel Primo de Rivera dictator of Spain between 1923 and 1930 who

played a key role in the shaping of a counterrevolutionary Europe in the interwar era Following new historiographical trends this book combines biographical experiences of the dictator with a sociopolitical reading of the dictatorship to reflect on the configuration of national political and gender identities at individual and group levels It challenges traditional readings of Primo de Rivera as a benign non ideological leader who established a paternalistic dictatorship instead showing an astute and ambitious politician who created a nationalist highly repressive authoritarian regime profoundly influenced by Italian fascism The monograph also explores Primo de Rivera s role as the creator of right wing populism in Spain who portrayed politicians and judges as enemies of the Spanish people used fake news in his propaganda machine and presented himself as a charismatic leader ready to destroy the liberal elites This book is intended for scholars and students specialising in Spanish history and politics along with those interested in nationalism populism far right movements Fascism dictators and authoritarian regimes in twentieth century European history The Open Access version of this book available at www.taylorfrancis.com has been made available under a Creative Commons Attribution Non Commercial No Derivatives CC BY NC ND 4 0 license

[A New Gaze](#) Concepción Cascajosa Virino,2015-10-05 This book deepens the understanding of the work carried out by professional women in Spanish film and television since the arrival of democracy a period of radical changes that saw an emergence of female talent Although most of the literature on women and media deals with female film directors this book also addresses television a medium where the presence of women was significant throughout this period This book makes an important contribution to the study of the history of women in Spanish media focusing on the work of some well known names while also rescuing from oblivion others now forgotten It brings together scholars from Spain the United States and Ireland to analyze films and television programs written or directed by female professionals such as Pilar Mir Josefina Molina Cecilia Bartolom Rosa Montero Carmen Mart n Gait e Cristina Andreu Isabel Coixet and Paloma Chamorro The book also includes four interviews with screenwriter Esmeralda Adam television executive Carmen Caffarel filmmaker Ana D ez and television director Matilde Fern ndez Their reflections on personal and professional experiences shed light on the changes that took place in Spanish society during this period and the challenges they have faced in their careers

Chicas Serias Introduction

In today's digital age, the availability of Chicas Serias books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Chicas Serias books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Chicas Serias books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or

professional purposes. By accessing Chicas Serias versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Chicas Serias books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Chicas Serias books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Chicas Serias books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Chicas Serias books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Chicas Serias books and manuals for download and embark on your journey of knowledge?
