Child Maltreatment An Introduction:

Child Maltreatment Cindy L. Miller-Perrin, Robin D. Perrin, 2012-05-14 *Child Maltreatment* Third Edition by Cindy Miller Perrin and Robin Perrin is a thoroughly updated new edition of the first textbook for undergraduate students and beginning graduate students in this field The text is designed to provide a comprehensive introduction to child maltreatment by disseminating current knowledge about the various types of violence against children By helping students understand more fully the etiology prevalence treatment policy issues and prevention of child maltreatment the authors hope to further our understanding of how to treat child maltreatment victims and how to prevent future child maltreatment Child Maltreatment Cindy Lou Miller-Perrin, Robin D. Perrin, 2007 Thoroughly updated and expanded the Second Edition of *Child Maltreatment An Introduction* disseminates current knowledge about the various types of violence against children Uniquely offering both a psychological and sociological focus this core text helps students understand more fully the etiology prevalence treatment policy issues and prevention of child maltreatment *Child Maltreatment* VINCENT J. PALUSCI, 2024 As educators as well as clinicians we recognized the scarcity of specific books designed to address the needs of the resident trainee in this important area of pediatric practice The American Academy of Pediatrics AAP and others have published a number of texts on child abuse but this book specifically addresses the need for easily accessible materials outlining the medical approach to child abuse and neglect for pediatric and family medicine trainees as well as other professionals working with children It is a collection of materials that covers a range of topics and serves as a repository for materials we have found helpful when teaching about child abuse and neglect In addition it provides information for more advanced students and trainees who want to learn more than can be learned during standard rotations and clinical experiences Child abuse identification treatment and prevention is the responsibility of us all and our hope is that all practitioners will recognize their responsibility to use their unique skills to provide the best care and treatment possible for this important and vulnerable pediatric population **Studyguide for Child Maltreatment** Cram101 Textbook Reviews, 2013-05 Never HIGHLIGHT a Book Again Virtually all testable terms concepts persons places and events are included Cram101 Textbook Outlines gives all of the outlines highlights notes for your textbook with optional online practice tests Only Cram101 Outlines are Textbook Specific Cram101 is NOT the Textbook Accompanys 9780521673761 **Outlines and Highlights for Child Maltreatment** Cram101 Textbook Reviews, 2011-04 Never HIGHLIGHT a Book Again Virtually all of the testable terms concepts persons places and events from the textbook are included Cram101 Just the FACTS101 studyguides give all of the outlines highlights notes and quizzes for your textbook with optional online comprehensive practice tests Only Cram101 is Textbook Specific Accompanys 9781412926683 Child Maltreatment . , 2014 *Handbook of Child Maltreatment* Richard D. Krugman, Jill E. Korbin, 2022-02-22 The second edition of this successful handbook edited by well known experts in this field includes core questions in the field of child abuse and neglect It addresses major challenges in child maltreatment

work starting with What is child abuse and neglect and then examines why maltreatment occurs and what are its consequences The handbook also addresses prevention intervention investigation treatment as well as civil and criminal legal perspectives It comprehensively studies the issue from the perspective of a broader international and cross cultural human experience Apart from a thorough revision of existing chapters this edition includes many new chapters covering recent developments in this area and other issues not covered in the first edition There is more focus on substance abuse psychological abuse and on social and community involvement and public health provisions in the prevention of child maltreatment The handbook examines what is known now and more importantly what remains to be researched in the coming decades to help abused and neglected children their families and their communities thereby taking the field forward

Handbook of Child Maltreatment Jill E. Korbin, Richard D. Krugman, 2013-11-26 This Handbook examines core questions still remaining in the field of child maltreatment It addresses major challenges in child maltreatment work starting with the question of what child abuse and neglect is exactly It then goes on to examine why maltreatment occurs and what its consequences are Next it turns to prevention treatment and intervention as well as legal perspectives The book studies the issue from the perspective of the broader international and cross cultural human experience Its aim is to review what is known but even more importantly to examine what remains to be known to make progress in helping abused children their families and their communities

An Introduction to Child Maltreatment in the United States Clifford K. Dorne, 2002-01-01 Abuse in the Family Alan R. Kemp, 1998 In this practical eye opening book author Alan Kemp uses an ecological approach to examine the widespread social problem of family maltreatment By examining the complex relationships that exist on a macro meso and micro level students will be better prepared to make a difference in a world confronted by this colossal and disheartening social problem and to answer the following questions Why does family maltreatment occur What do its victims experience How do they recover What can we do to help them How can we understand the perpetrators and How might we reduce or prevent family abuse

Child Maltreatment Miller-Perrin, Robin D. Perrin, Boothe, 1999-04-01 **Child Abuse: An Evidence Base For Confident Practice** Corby, Brian, Shemmings, David, Wilkins, David, 2012-11-01 This book is an accessible knowledge base for the whole area of child abuse and child protection now fully updated in terms of policy cases and research

EBOOK: Safeguarding Children and Young People Catherine Powell, 2007-08-16 This book should be available in every ward clinic and department This book is comprehensive and that rare thing in nursing literature scholarly and authoritative reading this book should arm nurses with the understanding to effectively do their duty and safeguard children Paediatric Nursing This text will be particularly useful as a source of reference for all practitioners It is logical organised comprehensive and accessible If students wish to purchase one book this would be a sound choice Jan Nelmes University of Brighton UK I consider this a valuable book for all practitioners While the author makes clear her intended audience I think that a book of this quality would benefit a broader readership

Community Practitioner Magazine Safeguarding Children and Young People a Guide for Nurses and Midwives is an excellent book which I would have no hesitation in recommending to nursing and midwifery colleagues It is both thought provoking and informative providing what I consider to be a useful reference which can be utilised to help staff understand more clearly and thus respond more confidently to some of the challenging issues which can arise as a result of safeguarding work Johann Knox IC Electronic Bulletin While many nurses and midwives are in an ideal position to prevent identify and respond to child maltreatment they may not currently have a clear understanding of the theory policy and practice of safeguarding children This book which has been written specifically for a nursing and midwifery audience provides an accessible text that outlines and explores professional roles and responsibilities in the context of inter agency working Importantly it has chapters on Child neglect Fabricated or induced illness Child death and child maltreatment Safeguarding vulnerable children This groundbreaking book provides a much needed education research practice and evidence based evaluation The book also Includes case examples and points for reflection Provides an analysis of children s rights and child protection Enables readers to understand and apply theory and policy to practice Outlines the roles and responsibilities of other agencies Helps readers develop skills to deal with sensitive and traumatic issues Addresses the importance of confidentiality and information sharing Safeguarding Children and Young People is core reading for all nursing and midwifery students and practitioners This book provides a sound foundation both for novices needing to understand the challenges of working to safeguard children and as a reference book for those with experience of working in this field Dr Cheryl Adams Acting Lead Professional Officer Amicus CPHVA [Child Abuse and Protection](#) Julia Davidson, Antonia Bifulco, 2018-09-13 Literature in the child abuse and child protection arena has tended to adopt either a practice or legal perspective Drawing on their expertise as researchers and leaders in their field Julia Davison and Antonia Bifulco offer a comprehensive and cohesive book on child abuse and child protection drawing on both criminological and psychological perspectives on all forms of child maltreatment and child protection practice together with impacts on the victims This book considers a range of areas from definitions of child abuse and discussions of its prevalence to an examination of the experiences of children in care to international perspectives on children within the criminal justice system to the emergence of online child abuse and the increasing awareness of historical abuse Each chapter draws together key elements in the field including prevalence and definition different disciplinary approaches different practice challenges international impacts and technological issues Brief case studies throughout the book reflect the voice or experience of the child ensuring that the focus remains on the child at the centre of the abuse Balancing coverage of theory and research and considering implications for practice and policy this book will appeal to a range of disciplines including criminology psychology psychiatry social work and law **Social Paediatrics, Safeguarding Children & Child Abuse** Will Carroll, 2016-10-14 Social Paediatrics Safeguarding Children Child Abuse is a new e book in a collection of subject themed e books containing relevant key articles from Paediatrics Child Health The e
