Children At Gate:

Through the Children's Gate Adam Gopnik,2010-06-18 Following Adam Gopnik s best selling Paris to the Moon the adventure continues against the panorama of another storied city Autumn 2000 the Gopnik family moves back to a New York that seems at first safer and shinier than ever Here are the triumphs and travails of father mother son and daughter and of the teachers coaches therapists adversaries and friends who round out the extended urban family From Blue a goldfish fated to meet a Hitchcockian end to Charlie Ravioli an imaginary playmate who being a New Yorker is too busy to play Gopnik s New York is charmed by the civilization of childhood It is a fabric of living which though rent by the events of 9 11 will reweave itself reviving a world where Jewish jokes mingle with debates about the problem of consciousness the price of real estate and the meaning of modern art By turns elegant and exultant written with a signature mix of mind and heart Through the Children s Gate is at once a celebration of a newly fragile city and a poignant study of a family trying to find its way and joy within it
