

A black and white photograph of a woman carrying a child on her back, walking with two other children in a courtyard with arches. The woman is in the center, wearing a headscarf and a patterned skirt. She is carrying a young child on her back. In front of her, two other children are walking. The background shows a large building with many arches and columns, suggesting a school or a public building. The ground is paved. The overall scene is one of daily life in a Middle Eastern setting.
