

Children law

As specialist [Child Law solicitors](#), we understand the exhausting emotional disagreements that arise about your children's care-- from where they live and go to school, to when they spend time with each parent.

We can help make supportive arrangements for your children through mediation. However, if it is not possible to agree, we can apply for a Child Arrangements Order via the Court.

We can also advise on action to take if the other parent fails to comply with the Court order, as well as specific issues relating to your children's parenting.

If both you and your partner agree on divorce or dissolving a civil partnership, we provide a fixed-fee divorce. Otherwise, our services are charged at a competitive hourly rate. We will always provide you with a clear cost estimate at our initial interview, helping you to budget sensibly.
