[I Am Israeli](#) Eva Weiss (L.), 2015-09 My name is Yakir Shlomo and I live in Jerusalem Israel If you spin a globe it won t be easy to find the country where I live Israel is barely the size of your thumbnail on most world maps But I feel like I live in the center of the universe Everyone s home is unique and my city and country are special to me I know my home is a teeny tiny dot if you think about the earth and the whole gigantic solar system But it really can t be that small since we have to make room for the 3 5 million people from all over the world who come to visit Israel during just one year I am almost eight years old and I can understand why Israel has so many visitors My country is an interesting place and especially fun for children I am glad my mother decided to help me write this book about Israel My friends and I can t wait to tell you why we think it is so interesting to be

Ourselves. A Picture, Selected from the History of the Children of Israel Brownlow NORTH (Registrar of the Diocese of Winchester.),1865 **The Journeys of the Children of Israel and Their Settlement in the Promised Land** Religious Tract Society (Great Britain),1839 **The Wanderings of the Children of Israel** George Wagner,1862 God Chosen People Ismail Ibadehin,2023-08-16 Welcome to the exciting world of the Children of Israel a story that has been told for centuries and is known by people of different faiths and cultures around the world The story of the Children of Israel is a fascinating one that has been recounted in different ways through various mediums such as books films and plays However in this book we will retell the story from a fresh perspective and a new approach In this book we will journey through the lives of the Children of Israel from the birth of Musa to their arrival at the boarder of the Promised Land We will discover how they overcame trials and tribulations battled enemies and sought to follow God s commands We will learn how Musa was saved from Pharaoh s decree how he encountered God at Mount Sinai and was given the Ten Commandments and how he led the Bani Israel in their escape from Egypt through the crossing of the Red Sea We will also explore how they received God s laws built the Tabernacle We will delve into the lives of their judges such as Talut Dawud and Sulaiman as well as the prophets including Zakariya Yahya and Isa This book is not just a retelling of a story but an opportunity to discover the life lessons that can be learned from the journey of the Children of Israel Through their story we can learn about the power of faith the importance of perseverance and the value of community **Children of Israel, Children of Palestine** Laurel Holliday,2014-02-04 Israeli Jews and Palestinians appear side by side for the first time in this remarkable book to share powerful feelings and reflections on growing up in one of the world s longest and most dangerous conflicts Here thirty six men and women boys and girls tell of their coming of age in a land of turmoil From kibbutzim in Israel and the occupied territories to Palestinian refugee camps in the West Bank and the Gaza Strip Israeli Jews and Palestinians tell of tragedy and transcendence as they face their deepest fears and dream of a peaceful future Listen to them as they recount stories of their brief and often violent youth No matter what their ethnic identity how much and how long they have suffered these courageous autobiographers most often reveal a deep longing for peace Perhaps their hopes and fears are best illustrated by a parable retold by eighteen year old Redrose a pseudonym Two frogs got trapped in a jar of cream They couldn t jump out of the liquid and they couldn t climb because the sides of the jar were slippery One frog said By dawn I ll be dead and went to sleep The second frog swam all night long and in the morning found herself floating on a pat of butter A Concordance of the Proper Names in the Holy Scriptures Thomas David Williams,1923 **The Children of Israel** Danna Nolan Fewell,2003 In *The Children of Israel* Danna Nolan Fewell explores how imaginative readings of selected scriptural texts might raise adult

consciousness and responsibility toward children Through stories quotes vignettes and notes Fewell provides different kinds of reading experiences with different levels of coherence and disjunction depending on how much the reader decides to delve into the critical apparatus or the framing dialogues This work is designed to unsettle to plant suggestions and questions and to create space for reflection and conversation It is an experiment to see if a postmodern reading of the Bible can provide a credible ethical vision that can inspire us to do a better job of caring for our children The ways in which Fewell addresses the theme is inspiring The text is imaginatively crafted and skillfully written Leslie J Francis from The Expository Times volume 116 Number 8 May 2005 *Children and Families in Israel* Arie Jarus, Joseph Marcus, Joseph Oren, Chanan
