

A sunset scene with a path leading towards the sun. The sun is a bright orange circle in the center of the sky, surrounded by a hazy orange glow. The sky transitions from orange at the horizon to a deep blue at the top. In the foreground, a path of light-colored stones or gravel leads from the bottom center towards the sun. On the left side, there is a dark silhouette of a forest of evergreen trees. On the right side, there are bare, dark branches of a tree. The overall mood is peaceful and contemplative.

Your children are not your children. They are
the sons and daughters of Life's longing for
itself. They come through you but not from you.
You may give them your love but not your
thoughts. For they have their own thoughts.
