Euroscepticism as a Transnational and Pan-European Phenomenon John FitzGibbon, Benjamin Leruth, Nick Startin, 2016-08-19 As the EU enters an increasingly uncertain phase after the 2016 Brexit referendum Euroscepticism continues to become an increasingly embedded phenomenon within party systems non party groups and within the media Yet academic literature has paid little attention to the emergence of and increased development of transnational and pan European networks of EU opposition As the gap between Europe s mainstream political elites and an increasingly sceptical public has widened pan European spheres of opposition towards the EU have developed and evolved The volume sets out to explain how such an innately contradictory phenomenon as transnational Euroscepticism has emerged It draws on a variety of perspectives and case studies in a number of spheres the European Parliament political parties the media civil society and public opinion Examining to what extent the pan European dimension of Euroscepticism is becoming increasingly influential it argues that opposition to European integration has for too long been viewed somewhat narrowly through the paradigm of national party politics This text will be of key interest to scholars students and professionals in EU politics European studies political parties and more broadly to comparative politics and international relations

Thy Kingdom Connected (ēmerision: Emergent Village resources for communities of faith) Dwight J. Friesen, 2009-11-01 Networks are everywhere From our roads to our relationships from our food supply to our power grids networks are an integral part of how we live Similarly our churches denominations and even the kingdom of God are networks Knowing how networks function and how to work with rather than against them has enormous implications for how we do ministry In Thy Kingdom Connected Dwight J Friesen brings the complex theories of networking to church leaders in easy to understand practical ways Rather than bemoaning the modern disintegration of things like authority and structure Friesen inspires hope for a more connective vision of life with God He shows those involved in ministry how they can maximize already existing connections between people in order to spread the Gospel get people plugged in at their churches and grow together as disciples
