Chewa Malawi:

Modernity and Its Malcontents Jean Comaroff, John L. Comaroff, 1993-11 What role does ritual play in the everyday lives of modern Africans How are so called traditional cultural forms deployed by people seeking empowerment in a world where modernity has failed to deliver on its promises Some of the essays in *Modernity and Its Malcontents* address familiar anthropological issues like witchcraft myth and the politics of reproduction but treat them in fresh ways situating them amidst the polyphonies of contemporary Africa Others explore distinctly nontraditional subjects among them the Nigerian popular press and soul eating in Niger in such a way as to confront the conceptual limits of Western social science Together they demonstrate how ritual may be powerfully mobilized in the making of history present and future Addressing challenges posed by contemporary African realities the authors subject such concepts as modernity ritual power and history to renewed critical scrutiny Writing about a variety of phenomena they are united by a wish to preserve the diversity and historical specificity of local signs and practices voices and perspectives Their work makes a substantial and original contribution toward the historical anthropology of Africa The contributors all from the Africanist circle at the University of Chicago are Adeline Masquelier Deborah Kaspin J Lorand Matory Ralph A Austen Andrew Apter Misty L Bastian Mark Auslander and Pamela G Schmoll

Indigenous Peoples Victoria R. Williams, 2020-02-24 The book is an essential resource for those interested in investigating the lives histories and futures of indigenous peoples around the world Perfect for readers looking to learn more about cultural groups around the world this four volume work examines approximately 400 indigenous groups globally The encyclopedia investigates the history social structure and culture of peoples from all corners of the world including their role in the world their politics and their customs and traditions Alphabetically arranged entries focus on groups living in all world regions some of which are well known with large populations and others that are lesser known with only a handful of surviving members Each entry includes sections on the group s geography and environment history and politics society culture and tradition access to health care and education and threats to survival Each entry concludes with See Also cross references and a list of Further Reading resources to guide readers in their research Also included in the encyclopedia are Native Voices inset boxes allowing readers a glimpse into the daily lives of members of these indigenous groups as well as an appendix featuring the United Nations Declaration on the Rights of Indigenous Peoples

Spanish Language and Sociolinguistic Analysis Sandro Sessarego, Fernando Tejedo-Herrero, 2016-05-25 This book explores the current state of Spanish sociolinguistics and its contribution to theories of language variation and change from both synchronic and diachronic perspectives It offers original analyses on a variety of topics across a wide spectrum of linguistic subfields from different formal experimental and corpus based standpoints The volume is organized around six thematic sections i Cutting edge Methodologies in Sociolinguistics ii Bilingualism iii Language Acquisition iv Phonological Variation v Morpho Syntactic Variation and vi Lexical Variation As a whole this collection reflects an array of approaches and analyses

that show how in its variation across speakers speech communities linguistic contexts communicative situations dialects and time the Spanish language provides an immense wealth of data to challenge accepted linguistic views and shape new theoretical proposals in the field of language variation and change Spanish Language and Sociolinguistic Analysis represents a significant contribution to the growing field of Spanish sociolinguistics
