Here Peck offers an insider's view of the inner workings of one of the most prestigious orchestras in the country. Peck, like many artists, did not select his path voluntarily but rather let fate lead him to a career in music. In 1957 he secured a seat with the orchestra as a flutist. Beginning in 1958, Peck garnered the title of principal, which he kept until his retirement in 1999. A memoir filled with stories about life on the road, making recordings, and working with the best musicians and singers in the business, *The Right Place, The Right Time* is a joy for anyone interested in the life of a dedicated, devoted, and talented artist. **The Chicago Symphony Orchestra** Chicago Symphony Orchestra, 1920 [A Portrait in Four Movements](#) Andrew Patner, 2019-04-19 Playing in an orchestra in an intelligent way is the best school for democracy. Daniel Barenboim: The Chicago Symphony Orchestra has been led by a storied group of conductors. And from 1994 to 2015 through the best work of Daniel Barenboim, Pierre Boulez, Bernard Haitink, and Riccardo Muti, Andrew Patner was right there. As a classical music critic for the Chicago Sun-Times and WFMT radio, Patner was able to trace the arc of the CSO's changing repertoires all while cultivating a deep rapport with its four principal conductors. This book assembles Patner's reviews of the concerts given by the CSO during this time, as well as transcripts of his remarkable radio interviews with these colossal figures. These pages hold tidbits for the curious, such as Patner's driving survey that playfully ranks the Maestri he knew on a scale of total comfort to fright level five, and the observation that Muti appears to be a southpaw on the baseball field. Moving easily between registers, they also open revealing windows onto the sometimes difficult pasts that brought these conductors to music in the first place, including Boulez's and Haitink's heartbreaking experiences of Nazi occupation in their native countries as children. Throughout these reviews and interviews are threaded together with insights about the power of music and the techniques behind it, from the conductors' varied approaches to research, preparing scores, and interacting with other musicians to how the sound and personality of the orchestra evolved over time to the ways that we can all learn to listen better and hear more in the music we love. Featuring a foreword by fellow critic Alex Ross on the ethos and humor that informed Patner's writing, as well as an introduction and extensive historical commentary by musicologist Douglas W. Shadle.

this book offers a rich portrait of the musical life of Chicago through the eyes and ears of one of its most beloved critics
