Chicago Girls:

On Being There B.W. Van Riper, 2011-07-01 After months of failing health and anguishing twists and turns in her medical situation Liz learned that her fate was sealed Every avenue of hope had closed to her She was desperate for relief from physical and mental trauma and she was terrified by thoughts of a depressing and in her mind a demeaning conclusion to her life Doctors gave what they could probably all that they could But they couldn't give Liz what she wanted they couldn't prolong her life and they wouldn't hasten her death Mortally ill is Liz Her disease not only terminal her time is short By crisis impaled Liz is inspired to take control of her own fate with stipulations At heart she wants to end her life in her own way surrounded by her dearest friends The moral support of friends though fades to gray when the presence of their company is requested This her story The devotion of a band of women to a dying friend not only resonates with compassion but also resounds with reservations about a request for involvement in an incredible and impolitic denouement Stymied by Liz's appeal to be there for her at journey's end causes her friends inordinate angst as orthodoxy comes down hard on complicity The fast friends face perplexing terms and conditions of allegiance that are both excruciating and inescapable Theirs becomes a quandary Can it be wrong to do the right thing or conversely right to do the wrong thing This is their story The clarion call for uncommon commitment and valor takes more than raw courage to answer In those rare instances where extraordinary measures are called for being there for someone in dire need can require the most discordant sacrifice imaginable And in that event this could be our story Commerce, 1915 **Reform and Resistance** Anne Meis Knupfer, 2001 First Published in 2001 Routledge is an imprint of Taylor Francis an informa company *The Institution Quarterly*, 1914 *Patterson's College and School Directory of the United States and Canada* Homer L.
