

# EARLY CHILDHOOD INTERVENTION

Through the Early Childhood Intervention (ECI) Program, Bluebonnet Trails helps infants and toddlers (birth to 3 years of age) achieve the developmental milestones of children of the same age.

We coach families and caregivers to develop skills and strategies encouraging and strengthening everyday routines long after the child graduates from ECI. Alongside the family, we work as a team to realize a child's greatest potential. Our goal is to assist parents with tools and resources supporting a thriving child while focusing on the specific needs of the child and family.
