Foerstel,1997-04-22 Despite the end of the Cold War America s national security apparatus for controlling information has remained in place However sex and secularism are emerging as the major targets of censorship Federal decency standards have been imposed on art the broadcast media and the Internet Virtually every major political issue of the 1990s abortion campaign finance violence on TV homosexuality indecency on the Internet has First Amendment implications and all are included in this comprehensive encyclopedia This work covers the full history of America s struggle for free expression as well as the contemporary dynamics represented by pop figures like Frank Zappa Howard Stern and Danny Goldberg and politicians like Jesse Helms and Don Edwards It goes beyond other academic works of its kind by recognizing the primacy of the mass media and the Internet in defining the modern contours of the First Amendment The Encyclopaedia Britannica: Har to Ita ,1910 **The Encyclopaedia Britannica: Husband-Italic** ,1910 The last great work of the age of reason the final instance when all human knowledge could be presented with a single point of view Unabashed optimism and unabashed racism pervades many entries in the 11th and provide its defining characteristics Despite its occasional ugliness the reputation of the 11th persists today because of the staggering depth of knowledge contained with its volumes It is especially strong in its biographical entries These delve deeply into the history of men and women prominent in their eras who have since been largely forgotten except by the historians scholars The Guardian <https://www.theguardian.com/books/booksblog> 2012 apr 10 encyclopedia britannica 11th edition *The Encyclopædia Britannica* Hugh Chisholm,1910 **Infinity's Child** Harry Stein,1997 When a group of scientists discovers the secret of human longevity in the genetic code of an unborn infant the baby s frantic mother Sally realizes she cannot trust anyone with her child s life Novelist *The Child* ,1914 **The Children's Hymnal and Christian Year ... Edited by the Rev. C. H. Bateman** Christian Henry BATEMAN,1872 Christian Science Sentinel ,1913 **The Annotated We** Vladimir Wozniuk,2015-05-12 The AnnotatedWe represents the first fully annotated translation of Evgeny Zamiatin s classic novel in English Generally recognized as the first modern anti utopian novel Zamiatin s We has puzzled scholars and critics alike for it is both serious and playful full of games Long considered to be enigmatic it stands out as unique among his works and its importance is beyond doubt for it not only holds the distinction of being the first work of its kind but is also widely believed to have provided thematic elements for the two most famous dystopian works of the twentieth century Aldous

Huxley's *Brave New World* and George Orwell's *Nineteen Eighty Four* This new English translation employs language and syntax that mirror the precision and economy of Zamiatin's Russian in his poem in prose The commentary that accompanies the text sheds light on Zamiatin's use of language as well as on the broad array of allusions that mark it while at the same time suggesting many previously unacknowledged sources for the novel's playfulness *The Mother's Manual of Children's Diseases* Charles West, 1885
