**The Pike's Peak Rush; Or, Terry in the New Gold Fields** Edwin L. Sabin, 2019-11-29 Edwin L. Sabin's *The Pike's Peak Rush; Or, Terry in the New Gold Fields* presents a vivid portrayal of the fervor and excitement surrounding the Colorado Gold Rush in the mid 19th century. With a narrative style that blends adventure with the gritty realism of frontier life, Sabin immerses readers in a world characterized by rugged individualism, ambition, and the boundless quest for fortune. His detailed descriptions and well-crafted characters illuminate the socio-economic dynamics of the time, exploring the impact of the gold rush on both the landscape and the people who sought wealth amidst adversity. Sabin, an American author and historian, was deeply influenced by the spirit of exploration and adventure that defined his era. His own experiences with the American West, coupled with an academic background in literature, enabled him to weave a compelling story that resonates with themes of perseverance and aspiration. This novel reflects his fascination with the American frontier, portraying the allure of opportunity while also capturing the harsh realities faced by prospectors eager for gold. For readers interested in historical fiction that deftly intertwines human courage and the harshness of the American landscape, *The Pike's Peak Rush* is a must-read. It not only entertains but also educates, offering insights into a pivotal moment in American history, making it an invaluable addition to the canon of Western literature and a compelling page-turner.

**Episodes in an Obscure Life** Richard Rowe, 1871 *First Cut* Sandra Alex, 2021-12-07 Their first hit single. His first betrayal. And two women that make Randy question everything he's ever wanted. Randy Jackson loves his life. He's got a beautiful, hard-working celebrity wife and a rising musical career as the lead guitarist in a band that just signed their first record deal. He has a great dog and the best relationships with his band members, namely his stepbrother who is the lead vocalist. Little clues pass by him that things aren't quite as hunky-dorey as they may seem, but Randy's rose-colored glasses currently blind him. Darrell Tanner loves her job as a video editor for the music industry. She's met all types of musicians that adorn the face of MTV, but none ever appreciate her hard work until the boys from Brave Face appear. Darrell is suddenly treated like royalty and she basks in the accoutrements in a dream-like state, forgetting about her second-class boss who spends more time on vacation than he does in the office. But one day she realizes that she's taken things too far and

it's too late to do anything about it Can she walk away and leave the best thing that's ever happened to her Randy's wake up call comes like a bat out of hell and when he least expects it The only thing that has kept his focus in such a tumultuous industry is the one thing that he's about to lose for good and the worst part is he has to be the one to walk away from it Until someone he least expects breaks his fall and everyone else sees it coming including Randy but is he too jaded to do anything about it A beautiful love story about survival in a tough industry that labels and points fingers in all directions at undeserving people and the lies that they tell to get ahead under the spotlight This is a rock star romance that underscores the betrayal that exists in Hollywood and how stars either sink or swim through it just like the rest of the world does This book like all others in this series is a standalone and can be enjoyed in any sequence HEA Happily Ever After Rock star romance Celebrity romance Second chance romance Office romance Medium heat Mild violence Course language Fifth book in a standalone series
