There is Truth and It Will Set You Free Fr. Jeffrey S. Tunnick, 2025-08-04 We live in a world where the very concept of truth is rejected by some Others may accept some of truth but ultimately think they should be free to determine for themselves what to believe Fr. Jeff embraces truth Through his writings on his website www.renewaloffaith.org sermons and presentations inspired by the Holy Spirit he seeks to present the truth as God has given it to anyone who will listen or read his writings In the summer of 2024 Fr. Jeff came to realize that

if he was going to continue to teach God's truth he needed to help people understand what truth is So he began to write an article for his website with some expectation of offering presentations on truth When he began to write this document he expected it to be not more than twenty five or thirty pages His plan was to have the first part of the document center on truth in secular terminology and then bring the Christian faith into the discussion That was his plan but it was not God's plan This book is the article he set out to write As he wrote two things became obvious The first is that he could not write about truth without referring to the Christian faith The two are intertwined Second God had bigger plans than an article for Fr Jeff's website Through writing prayer and encouragement from his friends he discerned that God was leading him to publish this book It is in God's truth that we find who we are meant to be --*and the Truth Shall Set You Free* David Icke,1996 David Icke exposes what he says is the real story behind global events which shape the future of human existence **Rosicrucian Fellowship Magazine** ,1916 **The Truth Will Set You Free** Michael J.
