Dhammapada Verses On The Way:

The Dhammapada Buddha, Glenn Wallis, 2007-12-18 Trembling and quivering is the mind Difficult to guard and hard to restrain The person of wisdom sets it straight As a fletcher does an arrow The Dhammapada introduced the actual utterances of the Buddha nearly twenty five hundred years ago when the master teacher emerged from his long silence to illuminate for his followers the substance of humankind s deepest and most abiding concerns The nature of the self the value of relationships the importance of moment to moment awareness the destructiveness of anger the suffering that attends attachment the ambiguity of the earth s beauty the inevitability of aging the certainty of death these dilemmas preoccupy us today as they did centuries ago No other spiritual texts speak about them more clearly and profoundly than does the Dhammapada In this elegant new translation Sanskrit scholar Glenn Wallis has exclusively referred to and quoted from the canonical suttas the presumed earliest discourses of the Buddha to bring us the heartwood of Buddhism words as compelling today as when the Buddha first spoke them On violence All tremble before violence All fear death Having done the same yourself you should neither harm nor kill On ignorance An uninstructed person ages like an ox his bulk increases his insight does not On skillfulness A person is not skilled just because he talks a lot Peaceful friendly secure that one is called skilled In 423 verses gathered by subject into chapters the editor offers us a distillation of core Buddhist teachings that constitutes a prescription for enlightened living even in the twenty first century He also includes a brilliantly informative guide to the verses a chapter by chapter explication that greatly enhances our understanding of them The text at every turn points to practical applications that lead to freedom from fear and suffering toward the human state of spiritual virtuosity known as awakening Glenn Wallis s translation is an inspired successor to earlier versions of the suttas Even those readers who are well acquainted with the Dhammapada will be enriched by this fresh encounter with a classic text [The Dhammapada](#) ,2007 [The Dhammapada](#) ,2023 *Dhammapada* Glenn Wallis,2007 **The Dhammapada** Glenn Wallis,2007 *The Dhammapada* ,2012-06-01 Whether you re a serious practitioner of Buddhism or someone who is interested in learning more about this ancient spiritual tradition The Dhammapada offers a fascinating glimpse inside the Buddhist ethos Comprised of verses attributed to the Buddha as well as commentary and parables this sacred text is a must read for those interested in one of the world s oldest religions **The Dhammapada** Buddha,2017-10-17 The Dhammapada is a collection of sayings of the Buddha in verse form and one of the most widely read and best known Buddhist scriptures According to tradition the Dhammapada s verses were spoken by the Buddha on various occasions By distilling the complex models theories rhetorical style and sheer volume of the Buddha s teachings into concise crystalline verses the Dhammapada makes the Buddhist way of life available to anyone **The Dhammapada** F.
