Dive From Clausens Pier:

The Dive From Clausen's Pier Ann Packer,2002-07-30 How much do we owe the people we love Is it a sign of strength or weakness to walk away from someone in need These questions lie at the heart of Ann Packer s intimate and emotionally thrilling new novel which has won its author comparisons with Jane Hamilton and Sue Miller At the age of twenty three Carrie Bell has spent her entire life in Wisconsin with the same best friend and the same dependable easygoing high school sweetheart Now to her dismay she has begun to find this life suffocating and is considering leaving it and Mike behind But when Mike is paralyzed in a diving accident leaving seems unforgivable and yet more necessary than ever The Dive from Clausen s Pier animates this dilemma and Carrie s startling response to it with the narrative assurance exacting realism and moral complexity we expect from the very best fiction

Songs Without Words Ann Packer, 2007-09-04 Ann Packer's debut novel *The Dive from Clausen's Pier* was a nationwide bestseller that established her as one of our most gifted chroniclers of the interior lives of women. Now in her long awaited second novel she takes us on a journey into a lifelong friendship pushed to the breaking point. Liz and Sarabeth were childhood neighbors in the suburbs of northern California brought as close as sisters by the suicide of Sarabeth's mother when the girls were just sixteen. In the decades that followed through Liz's marriage and the birth of her children through Sarabeth's attempts to make a happy life for herself despite the shadow cast by her mother's act their relationship remained a source of continuity and strength. But when Liz's adolescent daughter enters dangerous waters that threaten to engulf the family the fault lines in the women's friendship are revealed and both Liz and Sarabeth are forced to reexamine their most deeply held beliefs about their connection. *Songs Without Words* is about the sometimes confining roles we take on in our closest relationships about the familial myths that shape us both as children and as parents and about the limits and the power of the friendships we create when we are young.
