Miscellany 1557 to the last twentieth century Oxford Book of English Verse 1999 anthologies have been a prime institution for the preservation and mediation of poetry The importance of anthologies for creating and re creating the canon of English poetry for introducing new programmes of poetry as a record of changing poetic fashions audience tastes and reading practices or as a profitable literary commodity has often been asserted Despite its impact however the poetry anthology in itself has attracted surprisingly little critical interest in Britain or elsewhere in the English speaking world This volume is the first publication to explore the largely unmapped field of poetry anthologies in Britain Essays written from a wide range of perspectives in literary and cultural studies and the point of view of poets editors publishers and cultural institutions aim to do justice to the typological functional and historical variety with which this form of publication has manifested itself from

The Chinese Dark Poet: Huang Xiang and His Colorful World Zhengming Fu (Sweden), Huang Xiang the protagonist of this book was born on 26th December 1941 in Guidong county Hunan province of central China After the Communists came to power in 1949 he was imprisoned six times and severely persecuted for his free spirited writing and his campaigns for human rights For more than thirty years this self educated poet and writer wrote secretly against the bondage of totalitarian ideology to safe guard the freedom of speech According to the author of the book Huang is a great dark poet who has expressed the painful memories fears and struggles that haunted his life creating wonderful poetic beauty in the darkness His poetic creation is a miracle in the history of Chinese contemporary literature We may say that Huang s identity as an unknown dark poet is conditioned by his personal emotional and tragic experiences of struggles while facing historical events such as the Cultural Revolution from 1966 to 1976 the April 5th Movement in 1976 the Democracy Wall Movement in 1978 and the Pro Democracy Movement in 1989 in China The Princeton Encyclopedia of Poetry and Poetics Roland
