Divided Passions:

Divided Passions Paul R. Mendes-Flohr, 1991 *Divided Passions* is a collection of essays in which Paul Mendes Flohr writes about the problems that Buber, Rosenzweig, Bloch, Simon, Scholem and others, Jewish intellectuals, tried to crystallize and resolve.

The Father of Jewish Mysticism Daniel Weidner, 2022-10-04 *The Father of Jewish Mysticism* offers an incisive look at the early life and writings of Gershom Scholem (1897-1982), the father of modern Jewish mysticism and a major 20th-century Jewish intellectual. Daniel Weidner offers the first full-length study published in English of Scholem's thought. Scholem, a historian of the Kabbalah and sharp critic of Jewish assimilation, played a major role in the study and popularization of Jewish mysticism. Through his work on the Kabbalah, Scholem turned the closed world of mystical texts into a force for Jewish identity. Skillfully drawing on Scholem's early diaries and writings, *The Father of Jewish Mysticism* introduces a young, soon-to-be legendary intellectual in search of himself and Judaism.

Coalition Building in the Anti-death Penalty Movement Sandra J. Jones, 2010-01-01 *Coalition Building in the Anti-Death Penalty Movement* uses the concepts of the political process model of social movements to analyze the factors that shape the racial face of the anti-death penalty movement. Contests are found to emerge over mobilizing and framing strategies as activists react to the political opportunity structure in a manner that privileges moral arguments above the racial ones that would allow them to build a more racially diverse constituency.

Abraham Joshua Heschel Edward K. Kaplan, 2019-11-01 In this first one-volume English language full biography of Abraham Joshua Heschel, Edward K. Kaplan tells the engrossing behind-the-scenes story of the life, philosophy, struggles, yearnings, writings, and activism of one of the twentieth century's most outstanding Jewish thinkers. Kaplan takes readers on a soulful journey through the rollercoaster challenges and successes of Heschel's emotional life. As a child, he was enveloped in a Hasidic community of Warsaw; then he went on to explore secular Jewish Vilna and cosmopolitan Berlin. He improvised solutions to procure his doctorate in Nazi-dominated Berlin, escaped the Nazis, and secured a rare visa to the United States. He articulated strikingly original interpretations of Jewish ideas. His relationships spanned not only the Jewish denominational spectrum but also Catholic and Protestant faith communities. A militant voice for nonviolent social action, he marched with Martin Luther King Jr., who became a close friend, expressed strong opposition to the Vietnam War, while the FBI compiled a file on him and helped reverse long-standing antisemitic Catholic Church doctrine on Jews participating in a secret meeting with Pope Paul VI during Vatican II. From such prodigiously documented stories, Heschel himself emerges: mind, heart, and soul. Kaplan elucidates how Heschel remained forever torn between faith and anguish, between love of God and abhorrence of human apathy, moral weakness, and deliberate evil; between the compassion of the Baal Shem Tov of Medzibozh and the Kotzker Rebbe's cruel demands for truth. My heart, Heschel acknowledged, is in Medzibozh; my mind is in Kotzk.

Coherent Judaism Shai Cherry, 2021-06-29 *Coherent Judaism* begins by excavating the theologies within the Torah and tracing their careers through the Jewish Enlightenment of the

eighteenth century Any compelling contemporary Judaism must cohere as much as possible with traditional Judaism and everything else we believe to be true about our world The challenge is that over the past two centuries our understandings of both the Torah and nature have radically changed Nevertheless much Jewish wisdom can be translated into a contemporary idiom that both coheres with all that we believe and enriches our lives as individuals and within our communities Coherent Judaism explains why pre modern Judaism opted to privilege consensus around Jewish behavior halakhah over belief The stresses of modernity have conspired to reveal the incoherence of that traditional approach In our post Darwinian and post Holocaust world theology must be able to withstand the challenges of science and history Traditional Jewish theologies have the resources to meet those challenges Coherent Judaism concludes by presenting a philosophy of halakhah that is faithful to the covenantal aspiration to live long on the land that the Lord our God has given us

How Jewish is Jewish History? Moshe Rosman,2007-10-25 Moshe Rosman cogently and critically presents the considerations that must be brought to bear on the writing of Jewish history in the light of post modernist thinking
