[Divine Desperation](#) Gloria Anderson Little, 2003-12-01 Divine Desperation what is that You are either being divine or you are being desperate At least that is what we are lead to believe How can you be both Divine Desperation will give you the insight you need to move you beyond your plight and into the fullness of restoration in God How desperate are you for a change to happen in your life How many ways have you tried to force the right timing to be there You know that right place right time experience How many of these experiences have you missed or just plain overlooked Perhaps the urgency for change isn't powerful enough in your life yet because you are not sick enough broke enough or hurting enough to think in ethereal terms Divine Desperation happens when the ethereal nature of God is touched by the desperate situation of man It is only when you have decided that amidst the laughter scorn and ridicule of others that you will trust God and move forward that your ethereal change will come

Holy & Divine Desperation Michael H Yeager, 2025-08-22 There comes a moment in every believer's life when casual Christianity will no longer suffice It is in this place of holy and divine desperation that heaven touches earth where faith is stretched and where God's presence becomes more real than the air we breathe This book is a stirring call to abandon complacency and step into the fiery pursuit of God with all your heart soul mind and strength It is about cultivating a godly expectation that refuses to settle for religion without power for form without fire and for rituals without relationship Dr Michael H Yeager shares biblical insights historical awakenings and personal
