Syntax of the English Language published in four massive volumes between 1963 and 1973 is certainly one of the cornerstones of research in English linguistics Visser s achievements can hardly be overestimated Before the advent of modern corpus linguistics he compiled a remarkable wealth of detailed philological data from all periods of English and combined this with current grammatical analyses of his time This has made this publications an indispensable resource for anyone investigating the history of English syntax This reproduction of Visser s volumes is more than welcome and timely as the volumes have been out of print for quite some time and were sometimes a little bit difficult to navigate Having a searchable and easy to use online version although maybe not perfect available now means a revival for scholarship that celebrates its fiftieth birthday without losing any of its relevance

Notes on Blood Meridian John Sepich,2008-09-01
 Blood Meridian 1985 Cormac McCarthy s epic tale of an otherwise nameless kid who in his teens joins a gang of licensed scalp hunters whose marauding adventures take place across Texas Chihuahua Sonora Arizona and California during 1849 and 1850 is widely considered to be one of the finest novels of the Old West as well as McCarthy s greatest work The New York Times Book Review ranked it third in a 2006 survey of the best work of American fiction published in the last twenty five years and in 2005 Time chose it as one of the 100 best novels published since 1923 Yet Blood Meridian s complexity as well as its sheer bloodiness makes it difficult for some readers To guide all its readers and help them appreciate the novel s wealth of historically verifiable characters places and events John Sepich compiled what has become the classic reference work Notes on BLOOD MERIDIAN Tracing many of the nineteenth century primary sources that McCarthy used Notes uncovers the historical roots of Blood Meridian Originally published in 1993 Notes remained in print for only a few years and has become highly sought after in the rare book market with used copies selling for hundreds of dollars In bringing the book back into print to make it more widely available Sepich has revised and expanded Notes with a new preface and two new essays that explore key themes and issues in the work This amplified edition of Notes on BLOOD MERIDIAN is the essential guide for all who seek a fuller understanding and appreciation of McCarthy s finest work
