The Court Journal, 1854 **Works of Love** Søren Kierkegaard, 2013-04-21 The various kinds and conditions of love are a common theme for Kierkegaard beginning with his early *Either Or* through *The Diary of the Seducer* and *Judge William's* eulogy on married love to his last work on the changelessness of God's love *Works of Love* the midpoint in the series is also the monumental high point because of its penetrating illuminating analysis of the forms and sources of love Love as feeling and mood is distinguished from works of love love of the lovable from love of the unlovely preferential love from love as the royal law love as mutual egotism from triangular love and erotic love from self-giving love This work is marked by Kierkegaard's Socratic awareness of the reader both as the center of awakened understanding and as the initiator of action Written to be read aloud the book conveys a keenness of thought and an insightful poetic imagination that make such an attentive approach richly rewarding *Works of Love* not only serves as an excellent place to begin exploring the writings of Kierkegaard but also rewards many rereadings *Report of the Council to the Members of the Institute City and Guilds of London Institute*, 1885 *Hearings, Reports and Prints of the Senate Select Committee on Small Business United States.
