**Communion with God** Kelly M. Kavic,2007 Focuses on the concept of communion with God in the work of Puritan theologian John Owen covering key areas such as anthropology the incarnation the Trinity and the Lord s supper **The Divine Human** John C. Robinson,2016-08-11 Sacred Aging and the achievement of humanity s highest expression of love and purpose **The Divine Human** Holiness: Divine and Human James M. Arcadi,2023 Holiness might seem like a simple concept Yet when one compares the array of objects that are called holy in the Hebrew Scriptures and Christian New Testament there may seem to be no points of similarity between God humans time land temple accoutrements etc However in this book James M Arcadi hypothesizes a unitary account of the definition of holiness What unites holy objects Arcadi argues is divine ownership Holy objects belong to God In application to God this motif has profound implications for how one conceives of God and the God world relation In application to humans this book argues that the ownership theme unfurls new insights on a range of doctrinal loci including the doctrines of the imago Dei justification atonement sanctification and liturgical theology Bringing biblical studies in conversation with contemporary analytic philosophy this book offers an analytic systematic theology of holiness *The Divine-human Encounter* Emil Brunner,1943 Divine Action and the Human Mind Sarah Lane Ritchie,2019-07-25 Challenges theological models of divine action that locate God s activity in human mind Emphasizes God s relationship with all of nature *The Divine Human in the Scriptures* Tayler Lewis,2019-03-07 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work was reproduced from the original artifact and remains as true to the original work as possible Therefore you will see the original copyright references library stamps as most of these works have been housed in our most important libraries around the world and other notations in the work This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work As a reproduction of a historical artifact this work may contain missing or blurred pages poor pictures errant marks etc Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant *History of the Development of the Doctrine of the Person of Christ* Isaak August Dorner,1890 **The Bible an Outgrowth of Theocratic Life** David Worthington Simon,1886 **Theological Works: The heavenly arcana disclosed ... which are in Genesis (v. 1-11) [and] in Exodus (v. 12-19)** Emanuel Swedenborg,1907 A Compendium of the Theological and Spiritual Writings of Emanuel Swedenborg Emanuel Swedenborg,1856 *The New Jerusalem and Its Heavenly Doctrine* Emanuel Swedenborg,1907 **The Divine Human in the Scriptures (Classic Reprint)** Tayler Lewis,2015-07-18 Excerpt from *The Divine Human in the Scriptures* A True faith in the Scriptures must have its strength in the Scriptures themselves

This would seem to be a proposition of the clearest reason If the Bible be the word of God with a human voice then must it speak to the human soul directly as no other word no other voice can speak Too much have we relied on outward helps Not casting away then but leaving behind our Apologies for the Bible our Philosophies of the Bible our Reconciliations of the Bible with Science we should come directly to the Scriptures with the rational as well as reverent belief that if they are divine they must contain within themselves their own strong self evidencing power We would say to the young man disturbed with scepticism Read your Bible We would say to all who have difficulties which they honestly wish removed Study the Scriptures meditate therein by day and by night Nocturna versate manu versate diurna It is the only true and lasting cure of scepticism whether for an individual or an age It might be thought that there is some risk in the prescription and doubtless it may be so with its first effects for the difficulties and stumbling blocks may show themselves before the deep verities have begun to arrest and amaze the soul but let there be perseverance and the divine medicine will reveal its power the sun of righteousness will at length arise with healing in its wings About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
