The Divine Comedy Dante Alighieri, Henry Wadsworth Longfellow,2014-06-29 Inferno Italian for Hell is the first part of Dante Alighieri's 14th century epic poem Divine Comedy It is followed by Purgatorio and Paradiso It is an allegory telling of the journey of Dante through Hell guided by the Roman poet Virgil In the poem Hell is depicted as nine circles of suffering located within the Earth Allegorically the Divine Comedy represents the journey of the soul towards God with the Inferno describing the recognition and rejection of sin The poem begins on the night before Good Friday in the year 1300 halfway along our life's path Nel mezzo del cammin di nostra vita Dante is thirty five years old half of the biblical lifespan of 70 Psalms 89 10 Vulgate lost in a dark wood understood as sin assailed by beasts a lion a leopard and a she wolf he cannot evade and unable to find the straight way diritta via also translatable as right way to salvation symbolized by the sun behind the mountain Conscious that he is ruining himself and that he is falling into a low place basso loco where the sun is silent l sol tace Dante is at last rescued by Virgil and the two of them begin their journey to the underworld Each sin's punishment in Inferno is a contrapasso a symbolic instance of poetic justice for example in Canto XX fortune tellers and soothsayers must walk with their heads on backwards unable to see what is ahead because that was what they had tried to do in life they had their faces twisted toward their haunches and found it necessary to walk backward because they could not see ahead of them

and since he wanted so to see ahead he looks behind and walks a backward path 16 Allegorically the Inferno represents the Christian soul seeing sin for what it really is and the three beasts represent three types of sin the self indulgent the violent and the malicious 17 These three types of sin also provide the three main divisions of Dante s Hell Upper Hell outside the city of Dis for the four sins of indulgence lust gluttony avarice anger Circle 7 for the sins of violence and Circles 8 and 9 for the sins of malice fraud and treachery Added to these are two unlike categories that are specifically spiritual Limbo in Circle 1 contains the virtuous pagans who were not sinful but were ignorant of Christ and Circle 6 contains the heretics who contradicted the doctrine and confused the spirit of Christ The circles number 9 with the addition of Satan completing the structure of 9 1 10
