## **Divorce Remarriage:**

**Remarriage after Divorce in Today's Church** Zondervan, 2009-12-15 Despite a strong belief in the institution and sacredness of marriage studies show that Christian spouses experience divorce at least as much as the secular population But whatever the reasons for a divorce beyond the divorce itself many Christians want to know does the Bible support remarriage The fact is that no consensus exists among evangelicals on their views of remarriage leaving many Christians confused This Counterpoints volume explores the biblical and practical cases for the three main evangelical views on remarriage after divorce Remarriage is not acceptable after divorce defended by Gordon J Wenham Remarriage is acceptable only after adultery or desertion defended by William A Heth Remarriage is acceptable for a variety of reasons defended by Craig S Keener Each of the three contributors offers his point of view succinctly and with biblical support and each interacts with the others to help readers come to their own conclusions The Counterpoints series presents a comparison and critique of scholarly views on topics important to Christians that are both fair minded and respectful of the biblical text Each volume is a one stop reference that allows readers to evaluate the different positions on a specific issue and form their own educated opinion

Divorce and Remarriage David L. Smith, 2008-04-15 This volume examines the various theological aspects of divorce and remarriage historical contemporary exegetical and practical recognizing that all are subject to the teaching of Scripture This is done in such a way that readers may follow the author's thinking and so form their own practical theology of this difficult ethical issue

**Divorce and Remarriage** Sheila Sims, 2010-06 Divorce and Remarriage is one of the ways in which God delivers His people from their past mistakes You see Jesus died so we wouldn't have to suffer the consequences of our sins for the rest of our lives His Blood has cleansed us from our sins including our past mistakes Remarriage is practiced in the New Testament Satan arranges marriages too so discover why people get divorced If you've been separated for years find out what the Bible says to do about getting remarried Adultery is not the unpardonable sin it can be forgiven Should you wait until your ex spouse dies before you get remarried It's not your choice to remain single for the rest of your life Why remarried Christians shouldn't be put out of the church There's no recession in the Kingdom of God Find out where Extra money comes from Learn how to pray and get results Gain knowledge for raising your step children and your own children together

Divorce and Remarriage H. Wayne House, 1990-04-20 Editor H Wayne House introduces a lively debate on varying Christian views of divorce and remarriage Contributors include J Carl Laney William Heth Thomas Edgar and Larry Richards

*Divorce and Remarriage* Curtis Hutson, 2000-08 *Christian Divorce Remarriage Theology* John DeVries, 2019-02-28 Many churches and believers deeply struggle with this topic This writing sets out the correct Biblical rules and guidelines to guide believers how they should deal with marriage problems to hopefully avoid a divorce This book focusses on the Bible doctrinal truths involved in both Bible acceptable divorce and remarriage theology This book provides a mental surgery of understanding how we are to follow Bible textual rules of engagement to resolve conflict There are Christ

given directions to resolve relational conflict which are rarely applied These need to be taught by churches and ministry Due to a lack in this pursuit many Christians experience needless divorces This problem is magnified due to the majority of churches having an none biblical and limited ministry structure It takes much time to genuinely shepherd people through difficulties and issue resolution This will require teaching the applicable scriptures and the setting out of the conduct rules that apply to a godly love in a marriage commitment So much heartache can be alleviated The two groups of people who are my target purchasers are the Christian believers who struggle with resolving marriage problems then also the church leadership who oversee sincere believers

*Recycling the Family* Frank F. Furstenberg, Graham B. Spanier, 1987-07 In *Recycling the Family* the authors examine the social psychological and economic aspects of the divorce remarriage transition They demonstrate how and why the process of remarriage is fundamentally different from that of a first marriage and identify the factors that redefine family life including keeping a distance from one s former spouse inheriting stepchildren the convolution of traditional blood and legal relationships and built in expectations of marital instability

**Divorce and Remarriage** B. Ward Powers, 2017-01-31 The Bible s Law and Grace approach is summed up in the one short saying 1 Corinthians 7 27 28 CEB If you are married don t get a divorce If you are divorced don t try to find a spouse But if you do marry you have not sinned This book provides a careful and detailed presentation of these aspects of the Bible s teaching and its application in the lives of Christians in the twenty first century Divorce is completely contrary to the will and purpose of God which is One man one woman for life For I hate divorce says the Lord Mal 2 16 But Jesus focuses our attention on the real problem sin disrupting damaging and ultimately destroying the marriage relationship Do not let this happen Jesus warns us He says They are no longer two but one flesh Therefore humans shouldn t pull apart what God has put together Matt 19 6 Mark 10 8 9 CEB And to allow or to cause the marriage relationship to be sundered is a serious sin But the grace of Christ can forgive sin and restore the sinner And in certain circumstances as set out by Paul the Apostle says to those who have been divorced they must marry

Marriage, Divorce, Remarriage Andrew J. Cherlin, 1992-09-28 With roller coaster changes in marriage and divorce rates apparently leveling off in the 1980s Andrew Cherlin feels that the time is right for an overall assessment of marital trends His graceful and informal book surveys and explains the latest research on marriage divorce and remarriage since World War II Cherlin presents the facts about family change over the past thirty five years and examines the reasons for the trends that emerge He views the 1950s when Americans were marrying and having children early and divorcing infrequently as the aberration and he discusses why this period was unusual He also explores the causes and consequences of the dramatic changes since 1960 increases in divorce remarriage and cohabitation decreases in fertility that are altering the very definition of the family in our society He concludes with a discussion of the increasing differences in the marital patterns of black and white families over the past few decades

**Remarriage in Early Christianity** A. Andrew Das, 2024-06-27 What did early Christians believe about remarriage after divorce The New Testament sends mixed

messages about divorce Jesus forbids it in Mark's and Luke's Gospels but he seems to make an exception for victims of infidelity in Matthew's Gospel Paul permits divorce in 1 Corinthians when an unbeliever initiates it Yet other Pauline passages imply that remarriage after divorce constitutes adultery A Andrew Das confronts this dissonance in *Remarriage in Early Christianity Challenging scholarly consensus* Das argues that early Christians did not approve of remarriage after divorce His argument covering contemporary Jewish and Greco Roman contexts the Gospels Paul's letters and ante Nicene interpretation reveals greater consistency in early Christianity than is often assumed Das pays special attention to the Greek words used in contemporary bills of divorce and in the New Testament offering much needed clarity on hotly contested concepts like porneia At once sensitive and objective Das finds an exegetically sound answer to the question of remarriage among early Christians This bold study will challenge scholars and enlighten any Christian concerned with what Scripture has to say on this perennially relevant topic Choice Outstanding Academic Titles List 2024 [Divorce and Remarriage](#) Hugh Compton Warner,1954 **The Asundered** Myrna Kysar,Robert Kysar,1978 **Finding the Right One After Divorce** Edward M. Tauber,Jim Smoke,2007-04-01 There are 23 million divorced people in the United States today More than 80 percent of these people will remarry and many of those marriages will fail Divorce recovery experts Edward Tauber and Jim Smoke draw on their 30 years of experience as divorce counselors and a survey of more than 600 individuals to explore why people end up divorced again and what they can do to successfully remarry To help readers avoid making the mistakes others have made the authors present 13 wrong reasons to remarry including loneliness need to be needed to provide fathers or moms for kids to prove the divorce wasn't their fault they've found their soul mates Tauber and Smoke provide practical guidelines based on biblical principles to help people find partners who share values have compatible personalities agree on child raising principles and more Includes helpful Ready2Remarry self test **Marriage, Divorce and Remarriage** Richard Aegerter,2026-01-15 What if everything that you have been taught about marriage divorce and remarriage is not what the Bible actually says As the cultural norms have been shifting our last two generations have either not been taught or have disregarded what God says about marriage and its enduring stability Therefore if one does not have a clear understanding of the fundamental Biblical truths regarding marriage one will likely become confused and misled by human reasoning Marriage is divinely instituted and governed by three fundamental truths God is the author of marriage not man Genesis 2:3 God alone joins a man and woman together Mark 10:9 Marriage is a lifelong covenant that only God can dissolve through death Romans 7:2-3 Malachi 2:14-16 Whether you are entering a relationship of commitment have experienced divorce or are considering a remarriage this book will serve as a guide for you Writing this book *Marriage Divorce and Remarriage What the Bible Really Says* is the result of many years of dedicated effort to share the truth with people that will help them reach Heaven [Divorce and Remarriage by the Book](#) William G. Lagasse,2009-08 Divorce is rampant in the world and in the Church The World Health Organization has named swine flu a pandemic because of its rapid spread around

the world Divorce because of its rapid and out of control growth in the Church should be viewed as a Christian pandemic Divorce and Remarriage looks at three areas the problem the solution and how to get to the solution Divorce in the Christian church is a result of secular thinking and a biblical ignorance The Bible is full of illustrations of marital strife and its affects on family children and associates The solution is simple the Bible also gives explicit instructions and illustrations to the Christian so they can have a meaningful and fulfilling relationship The last step is the hardest how to arrive at the solution Divorce and Remarriage is not a self help book Christians cannot help themselves Jesus said he would send a helper the Holy Spirit Therein lies the solution In the power of the Holy Spirit we find the solution a transformed life Divorce and Remarriage is a call to Christians to take responsibility for their actions submit themselves under the authority of Scripture and find fulfillment in their next and last marriage Bill became a Christian while going through his second divorce He is a graduate of Word Of Life Bible Institute in Schroon Lake New York He has a bachelor of Arts degree in Church Education from Southeastern Bible College in Birmingham Alabama He is currently living with his wife in Sarasota Florida

*Divorce and Remarriage* William F. Luck,1987 *And Marries Another* Craig S. Keener,1991-06-01 Once divorced forever barred from church leadership sometimes even from full fellowship Isn't that what the plain sense of Scripture teaches No says Keener In this compassionate and carefully documented study he first explores how the early Christians would have understood the statements of Jesus and Paul on divorce and remarriage Keener then builds a soundly scriptural view of divorce and remarriage a view that reminds the church that all of its members are forgiven people

**Divorce and Remarriage in the Bible** David Instone-Brewer,2002-06-07 To many the New Testament's teaching on divorce and remarriage seems to be both impractical and unfair The plain meaning of the texts allows for divorce only in cases of adultery or desertion and it does not permit remarriage until the death of one's former spouse But are these proscriptions the final word for Christians today Are we correctly reading the scriptures that address these issues By looking closely at the biblical texts on divorce and remarriage in light of the first century Jewish and Greco Roman world this book shows that the original audience of the New Testament heard these teachings differently Through a careful exploration of the background literature of the Old Testament the ancient Near East and especially ancient Judaism David Instone Brewer constructs a biblical view of divorce and remarriage that is wider in scope than present day readings Among the important findings of the book are that both Jesus and Paul condemned divorce without valid grounds and discouraged divorce even for valid grounds that both Jesus and Paul affirmed the Old Testament grounds for divorce that the Old Testament allowed divorce for adultery and for neglect or abuse and that both Jesus and Paul condemned remarriage after an invalid divorce but not after a valid divorce Instone Brewer shows that these principles are not only different from the traditional church interpretation of the New Testament but also directly relevant to modern relationships Enhanced with pastoral advice on how to apply the biblical teaching in today's context this volume will be a valuable resource for anyone seeking serious answers about married life

*The Bible on*

*Divorce and Remarriage* Timothy Klaver, 2019-11-13 Does Scripture sanction the grounds for righteous divorce and remarriage The entire subject of divorce and re marriage is a complex and emotionally charged issue It is one of the most vexing problems the church faces in these modern days Throughout church history Christians have been divided on the issue of divorce and re marriage On the one side of the argument it has been believed that Jesus declared it not a sin to remarry in the case of marital infidelity and the Apostle Paul declared it not a sin to remarry in the case of abandonment On the other side of the argument it has been believed that it is adultery to remarry while one s former spouse is still living Why are there two different interpretations of the same Scriptures Which interpretation is correct and in keeping with the context of Scripture In this thorough exegesis of all the biblical texts on the issue of divorce and re marriage Timothy Klaver once again leads the reader by the hand allowing the reader to see with their own eyes what the Bible itself has to say on this life altering issue This book will be an immensely valuable tool in instructing those who are troubled and struggle with this subject May we give marriage the same reverence that Scripture gives it Let marriage be held in honor among all Heb 13 4a
