Designers Eye Problem Solving In Architectural Design:

The Designer's Eye Brent C. Brolin, 2002-05-17 They detail how designers can manipulate form and material to achieve desired effects such as emphasizing or diminishing building elements imposing visual order on a facade or adding grace notes Clearly organized each concept is graphically depicted making this an ideal teaching tool as well as a resource for students at all levels BOOK JACKET

The Designer's Eye Brent C. Brolin, 2013-03-01 This imaginative book offers architecture students over a hundred examples of visual problem solving in architectural design Photographs of actual buildings paired with digitally manipulated images in before and after comparisons demonstrate the sorts of real life situations that architectural design courses rarely teach students how to address and show how designers can manipulate form and material to achieve desired effects emphasizing or diminishing building elements imposing visual order on a facade or adding grace notes

Dwell , 2002-12 At Dwell we re staging a minor revolution We think that it s possible to live in a house or apartment by a bold modern architect to own furniture and products that are exceptionally well designed and still be a regular human being We think that good design is an integral part of real life And that real life has been conspicuous by its absence in most design and architecture magazines
