Pharaoh of Egypt reflecting on the halcyon days of his childhood that quickly gave way to smoldering hostilities between the great men of the state followed by the burst into the conflagration of civil war The lack of information about Caesar's early life makes these formative years of particular importance to the narrative as his character and motivations are placed in the context of recorded history The reader is invited to step back two thousand years to witness the collapse of the Republic that subjugated the entire Mediterranean world but could not govern itself With *Imperator The Life of Gaius Julius Caesar* author Philip Katz creates an atmosphere in which ancient Rome comes back to life seen through the eyes of the man who was the principle instrument of fortune and change Gaius Julius Caesar

Herdbook British Friesian Cattle Society, 1921 *Teaching and Learning Latin in Thirteenth-century England* Tony Hunt, 1991 The rich cultural insights afforded by the study of medieval Latin are only beginning to be appreciated In this difficult study of the text books through which Latin was learned together with the Latin Anglo Norman and English glosses to be found in their manuscript versions Tony Hunt makes a pioneering attempt to understand its relationship to the vernaculars spoken in England TIMES LITERARY SUPPLEMENT Here at last is the first systematic study of the teaching and learning of Latin in thirteenth century England based on evidence from nearly 200 manuscripts where the text has been glossed in the vernacular These glosses provide the key to discovering the linguistic competence and interest of students at an elementary level men and women who needed a working knowledge of Latin for practical purposes The received view that Latin was the exclusive language of the schoolroom is shown to be mistaken and the exhaustive recording of the vernacular glosses provides a hitherto untapped source of lexical materials in French and Middle English Teaching and Learning Latin is destined to become an essential source book for medievalists interested in language literacy and culture TONY HUNT is a Fellow of St Peter s College Oxford [The works of Flavius Josephus.
