Bill Ranier, David Finoli

1980 Baseball Guide:

Official Baseball Guide for 1980 ,1980 A Statistical History of Pro Football Rupert Patrick,2021-03-19 Drawing on the author s 30 year study of football statistics this book presents new methods for analyzing the game in different ways An examination of known distances for missed field goals offers an accurate method for evaluating placekickers Reassessments of punters and running backs are included along with an overhaul of the NFL s passer rating system Topics previously unexplored through statistics are covered such as momentum defining What is a dynasty and What is a Cinderella team

When the Bucs Won It All Bill Ranier,David Finoli,2015-03-07 The 1970s were both successful and tragic for the Pittsburgh Pirates They won five NL Eastern Division crowns and the 1971 World Championship but lost the great Roberto Clemente in a plane crash and pitcher Bob Moose in a car accident during this time By the end of the 1970s the Pirates were a good team but no longer considered favorites to win a World Series Thanks to a fantastic finish in 1978 the Pittsburghers gained new hope for the 1979 season As intriguing as the season was it wasn t until the evening of August 25th that the Pirate fans really started to believe it could happen The history of that magical ball club is covered here from how the 1979 world champion team was built to a thorough look at the season and post season to how The Family finally fell Also included are biographical sketches of all players who appeared on the team s roster that year and a section of complete statistics

The Expos in Their Prime Alain Usereau,2012-12-31 In the late 1970s and early 1980s the Montreal Expos provided their fans with spectacular play produced by spectacular players The team was able to reach the pinnacle of its lifetime popularity during that period They were in fact even more popular than the beloved hockey playing Canadiens in Montreal and the most popular sports team in Canada The book depicts how the team reached that level of support from the whole country and also why they were not able to sustain that excellence Official Gazette of the United States Patent and Trademark Office ,1982
