## GREATEST YEARS

Called the G.I. Generation or the Greatest Generation (following a book by journalist Tom Brokaw), this generation fought in World War II.

## SILENT YEARS

They were children during the Great Depression and World War II. Their label "refers to their conformist and civic instincts," says Pew.

## BOOMER YEARS

The boomers were born during a fertility spike after World War II, according to Pew. That spike came to an end with the emergence of the birth control pill in 1964.

## X YEARS

This generation was once called "baby bust," Pew says. The new name became popular with the release of author Douglas Coupland's book "Generation X: Tales for an Accelerated Culture."

## MILLENNIAL YEARS

An echo of the baby boomer generation, this group is the first to come of age in the new millennium, says the Pew report.
