Excerpt from *The Complete Book of Light Opera* Lord Harewood's comments in his preface to *The Complete Opera Book* on selectivity apply equally to *The Complete Book of Light Opera* It is obviously impossible if the book is to be kept within manageable proportions to include all operettas that people might see or hear indeed might have seen or heard for some of the appeal of the present volume to the older generation of theatregoers at any rate will be bound up with nostalgia My selection is limited to the lightest genre of Light Opera I have deliberately excluded *Opéra Comique* *delibes* *Adam* *Auber* *Singspiel* *mozart* *Lortzing* *Nicolai* and such light Operas as *Vaughan Williams* *The Poisoned Kiss* *Arthur Benjamin*'s *The Prima Donna* *Ethel Smyth*'s *The Boatswain*'s *Mate* and *Ballad Opera* Nor does my American colleague David Ewen include such operas as *Menotti*'s *The Telephone* and *Amelia Goes to the Ball* or earlier operas by composers like *Walter Damrosch* *Charles Wakefield Cadman* and *Deems Taylor* About the Publisher *Forgotten Books* publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work *Forgotten Books* uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
