Body Type Beautiful:

Grow Yourself Beautiful Sharon Caldwell Peddie, 2018-10-06 Young women today are more stressed than many imagine. Society bombards the country's precious young women with unrealistic expectations of superficial beauty, body type, and hyper-achievement in all areas. These relentless messages begin at younger and younger ages and are harmful to their self-esteem and well-being. Far too many young women suffer from anxiety, depression, eating disorders, sleep issues, bullying, or lack of simple joy. They need help to grow strong with a powerful sense of self and self-love. In *Grow Yourself Beautiful*, author Sharon Caldwell Peddie offers a comforting guide to help young women shift focus from these harmful superficial expectations. It empowers them to grow in satisfying, meaningful ways that will bring them joy, inner strength, and true beauty. A mother who has raised three daughters, Peddie uses the letters in the word beautiful to deliver solid advice. She helps girls build a strong foundation and deep roots to become truly beautiful, resilient, loving, joyful, strong women who will make beautiful contributions of their choice and in their own perfect timing.

Perception of Beauty Martha Levine, 2017-10-25 The authors in this book ask us to consider whether the perception of beauty has been defined by our genetics and culture over the years, has it grown and changed? Do certain neural connections define our emotional reactions to beauty? Does beauty follow any rules or laws? Can the aspiration toward beauty be detrimental? Can we divorce ourselves from dictators and sink into a mindful connection with our internal beauty? Can we move from the superficial, where beauty is only skin-deep, to an intense appreciation of beauty in all of its variations? *The Perception of Beauty* will lead to a deeper understanding and contemplation of nature, art, and the world around us.
