

The image features a vibrant collage of various promotional coupons and graphics. In the center, a semi-transparent blue circle contains the text "COMMUNITY GROUP BUYING IN CHINA" in bold, white, sans-serif capital letters. The background is filled with overlapping coupons in various colors and orientations. Some visible text includes "50% off" on a blue coupon, "20% off" on a red coupon, "Get the Coupon" on a red banner, and "100% Off" on a purple coupon. Other fragments of text like "SINGLE", "FREE", and "MORE" are also visible. The overall aesthetic is bright and commercial, emphasizing discounts and group purchasing.

China Search For Community:

China, Search for Community Raymond L. Whitehead, Rhea M. Whitehead, 1978-01-01 [Lin Yutang and China's Search for Modern Rebirth](#) Suoqiao Qian, 2017-10-20 This book provides a comprehensive examination of the socio cultural and political context of modern China in terms of its interaction with America and the West focusing on the influence of the well known Chinese writer and intellectual Lin Yutang 1895-1976 Offering a unique study of the life and works of Lin Yutang it highlights his intellectual legacy in modern China and considers how his cross cultural life and ideas embodied the modern Chinese cultural experience It notably focuses on Lin's reputation as an outspoken critic of the infringement of human rights during the rise of the Communist regime in China but also on his rediscovery of Chinese cultural resources At a time when China's cultural contributions are increasingly relevant worldwide this book contributes to ongoing critical reflections of Chinese modernity particularly in terms of its intellectual legacies but also to a renewed understanding of the cross cultural interactions between China and America and a re-opening the dialogue and search for a new cultural understanding

[China, Search for Community](#) Raymond L. Whitehead, Rhea M. Whitehead, 1994-07-01 **China's Search for Good Governance** D. Zhenglai, 2011-10-10 Governance has emerged as a central concept and key word in China's governmental and local policy and practice at different levels This edited collection combines empirical and normative researches as well as theoretical exploration and case studies on the governance theories and practices in China *Civil Society and Governance in China* J. Yu, 2012-03-12 Written by scholars from both inside and outside China this wide ranging collection of essays explores the complexity of the relationship between governance and civil society by combining theoretical exploration and empirical case studies based on the governance practice in China [China's Digital Nationalism](#) Florian Schneider, 2018-08-16 Nationalism in China as much as elsewhere is today adopted filtered transformed enhanced and accelerated through digital networks And as we have increasingly seen nationalism in digital spheres interacts in complicated ways with nationalism on the ground If we are to understand the social and political complexities of the twenty first century we need to ask what happens to nationalism when it goes digital In China's Digital Nationalism Florian Schneider explores the issue by looking at digital China first hand exploring what search engines online encyclopedias websites hyperlink networks and social media can tell us about the way that different actors construct and manage a crucial topic in contemporary Chinese politics the protracted historical relationship with neighbouring Japan Using two cases the infamous Nanjing Massacre of 1937 and the ongoing disputes over islands in the East China Sea Schneider shows how various stakeholders in China construct networks and deploy power to shape nationalism for their own ends These dynamics provide crucial lessons on how nation states adapt to the shifting terrain of the digital age and highlight how digital nationalism is today an emergent property of complex communication networks *China's Search for Plenty* Leo F. Goodstadt, 1973 Analysis of the theory and practice of Maoist economic thinking The author situates economic

developments within the political and social setting of China comparing Mao's development of economics with Western economic ideas proposals and experiences in other underdeveloped Asian countries *China*, 1978 *China's New Global Initiatives* Theodor Tudoroiu, 2025-08-12 This book provides the first in depth analysis of China's Global Initiatives launched between 2021 and 2023 as elements of a coherent strategy intended to construct a Chinese led international order This highly ambitious enterprise was initiated in 2013 and has relied on the Chinese socialization of the Global South political elites which uses the prestige infrastructure projects of the Belt and Road Initiative BRI as material incentives In recent years however China's economic problems major difficulties with the repayment of BRI infrastructure loans and the Western infrastructure counteroffensive have triggered a serious crisis that has significantly reduced the effectiveness of the socialization process This book argues that the creation of the Global Development Initiative Global Security Initiative Global Civilization Initiative and Global Artificial Intelligence Governance Initiative as well as the recalibration of the Belt and Road Initiative represents a response to this crisis The new Global Initiatives complement and partially replace the old BRI by extending the repertoire of Chinese policies and actions to the domains of non infrastructure development assistance international security civilizationism and AI based industrial revolution If successful they have the potential to bring China's international order to maturity which will result in the emergence of a bipolar international system **New Serial Titles**, 1996 A union list of serials commencing publication after Dec 31 1949 **Tencent** Min Tang, 2019-07-04 In this book author Min Tang examines the political economy of the China based leading global Internet giant Tencent Tracing the historical context and shaping forces the book illuminates Tencent's emergence as a joint creation of the Chinese state and transnational financial capital Tencent reveals interweaving axes of power on different levels particularly interactions between the global digital industry and contemporary China The expansion strategies Tencent has employed horizontal and vertical integration diversification and transnationalization speak to the intrinsic trends of capitalist reproduction and the consistent features of the political economy of communications The book also pinpoints two emerging and entangling trends transnationalization and financialization as unfolding trajectories of the global political economy Understanding Tencent's dynamics of growth helps to clarify the complex nature of China's contemporary transformation and the multifaceted characteristics of its increasingly globalized Internet industry This short and highly topical research volume is perfect for students and scholars of global media political economy and Chinese business media and communication and society **Presbyterian Survey**, 1911 **National Union Catalog**, 1980, 1981 **National Union Catalog**, Includes entries for maps and atlases [Accessions List, South Asia](#) Library of Congress. Library of Congress Office, New Delhi, 1983 **China Digest**, 1926 *First of All, Persons* Elizabeth Genné, William H. Genné, 1973 **National Union Catalog**, 1982, 1983 **Chinese Politics as Fragmented Authoritarianism** Kjeld Erik Brødsgaard, 2016-10-04 This book explores how far the concept of fragmented authoritarianism remains valid as the key concept for understanding how the Chinese

political process works It contrasts fragmented authoritarianism which places bureaucratic bargaining at the centre of policy making arguing that the goals and interests of the implementing agencies have to be incorporated into a policy if implementation is to be secured with other characterisations of China s political process Individual chapters consider fragmented authoritarianism at work in a range of key policy areas including energy issues climate change and environmental management financial reform and civil military relations The book also explores policy making at the national provincial city and local levels debates how far the model of fragmented authoritarianism is valid in its current form or whether modifications are needed and discusses whether the system of policy making and implementation is overcomplicated unwieldy and ineffective or whether it is constructive in enabling widespread consultation and scope for imagination flexibility and variation **Christianity Today** ,1979
