adulthood He has mentioned often that his stories are the kind of stories that you never told your momma until you were an adult because Momma always thought he was such an angel when his hair was really covering his devilish little horns His stories are short and easy to read and as many people have told him he writes like people talk It is safe reading for kids and adults will shake their head and recollect their own days of life in a simpler time Men will understand and chuckle and most moms would never believe their own sons would do some of the things in Clifford s stories The book can be read in one sitting or simply used from day to day for a short laugh
