Primal Destiny Ryan Kirk,2021-10-06 An invasion is coming As Tev returns to a world that has moved on without him he searches for a way forward that honors his upbringing and protects his people Torn between tradition and the future the decisions he makes will shape the fate of his people Far from home years away from any help or support Kindra must also decide her path and the sacrifices she is willing to make Together they will face a threat more dangerous than any Tev or his people have ever encountered The destiny of an entire people hangs in the balance **Destiny's Heir** Y. Roger,2013-10-29 Chicalia Prime a planet whose population is divided between the Light and the Dark designations denoting physical attributes and nothing else It is a small and insignificant planet with a plethora of political problems However the intricate aftermath to the climax of those problems has spent the last fifty neras or so weaving itself into the fabric of the over arching authority the Galactic Fleet and the purviews thereof And while it is becoming increasingly evident that there are other forces working against the Fleet yet simultaneous to those intricacies it is clear that the offspring of Chicalia s political problems and those loyal to them and their causes will completely re shape the government of the Fleet transferring the Fleet s seat of power from Galactica Triune to the soon to be not so insignificant Chicalia Prime One of those intricacies Captain Shanteela Ka Lantrel or Kaylen to her close friends in command of the Fleet s crown jewel Destiny knows nothing of the Royal blood that runs through her veins But Kaylen s destiny along with those under her command have become entwined with that of another the exiled OverLord Assassin Thetuderal Thetu Shaliagn and his many brothers in arms So as life still continues back on Chicalia Prime it seems the future of the Fleet and therefore the galaxy is being prophetically and passionately unlocked with Thetu and Kaylen at its epi center Out of the ashes of a flawed foundation and damaged framework Sha Hylira shall raise an invincible government that will proclaim His name to the far corners of the universe
