A Perfect Pledge:

A Perfect Pledge Rabindranath Maharaj, 2010-04-30 *A Perfect Pledge* is at once a beautifully detailed novel about family life a lively and abundant portrait of Trinidadian society and an ambitious universal story of striving and strife Following four decades of tumult both national and domestic this third novel by acclaimed author Rabindranath Maharaj is both deeply perceptive and strikingly unsentimental it is full of singular characters and memorable often hilarious dialogue *A Perfect Pledge* is a major addition both to Canadian literature and to the literature of the Caribbean The novel begins with the birth of a child to Narpat and Dulari in the village of Lengua in the late 1950s Geevan known universally as Jeeves is the son that Narpat an irascible cane farmer has long wished for to add to his three daughters But growing up in his father's shadow Jeeves develops into a scrawny quiet somewhat sickly boy not helped by Narpat's unusual dietary pronouncements including his insistence that Jeeves eat properly purgative foods On one level *A Perfect Pledge* is a compelling story of the intricacies of family life of the complex relationships between husband and wife parents and children set in a lopsided hut with when the book begins no electricity or indoor plumbing Narpat the patriarch is an engrossing character a self-proclaimed futurist with no patience for religious simi dimi His ideas to improve his family and his village's lot are sometimes inspired but sometimes seem crazy occasionally they fall somewhere in between The novel follows the family's progress from the purchase of a cow named Gangadaye through the children's schooling to Narpat's almost solitary efforts to build a factory on his land interspersed with accidents weddings conflict and much more besides Through these events *A Perfect Pledge* becomes a subtle portrait not only of Narpat but of the forbearance and irritation of his wife Dulari and their daughters clashing personalities often seen through the observant hungry eyes of the young Jeeves But *A Perfect Pledge* takes up other subjects too As well as the story of a family's struggles it is a vivid portrayal of Trinidad over the last four decades a deprived and sometimes mad place lurching into modernization Rural life on the island is particularly hard in the 1960s the infrastructure is ramshackle and always on the cusp of being taken back by nature But the village of Lengua is a cauldron boiling with village politics Hollywood movies neighbourly rivalries ayurvedic healing and much else And while it is both panoramic and empathic *A Perfect Pledge* is also a deeply pleasurable read its elegant narrative tone is enriched by the astonishing improvisations of a Trinidadian English infused with Indian British American and other influences Not a page passes without some jaw-dropping turn of phrase from icy hots to scrapegoats dreamsanhope to couteyahs *A Perfect Pledge* follows its characters through years of growth challenges and in Narpat's case eventual decline As he gets older Narpat stiffens into himself his plans becoming ever more Quixotic and even dangerous Jeeves meanwhile is trying to step clear of his bad beginnings and become an independent self-sufficient man while honouring his family ties something his sisters conspicuously fail to do *A Perfect Pledge* is a funny and moving book that portrays the struggles of an entire society but the difficult relationship between father and son is ultimately at its heart *A Treatise on the Law of Usury, Pawns Or Pledges,*
