The Sacred Book of the Black Brotherhood Moriel Yamanu,2018-10-02 The Black Brotherhood is a secret society of Sages and Adepts that exists from the dawn of the world and that has been pushing forward many ancient civilizations and cultures like Lemuria and Atlantis Sumeria Ancient China and Egypt Aztecs and Mayans While other teachings spread like the branches of the tree and stray ever further the Teachings of the Black Brotherhood remain hidden as stable and black as the soil itself It preserves the Ancient Wisdom hidden and untainted The Teachings of the Black Brotherhood are always passed on as a tradition by word of mouth from Master to a Disciple from Ancient Times For the first time a big part of the tradition and the teachings of the Black Brotherhood from various Eras were gathered in writing and organized in a unified system the first of its kind The realization of the Book was the last will of my Master and it became my Mission The door has been opened We are already among you Moriel Yamanu *Rebirth of a Nation* Joel Edward Goza,2024-09-24 Joel Edward Goza dismantles the deep seated myths that perpetuate white supremacy and makes the case that reparations are necessary to heal America s racial wounds and live up to our democratic ideals Like many well intentioned white people Goza once believed that he could support Black America s struggle for equality without supporting reparations Reparations he thought were altogether irrelevant to the real work of racial justice This is a book about why he was wrong In fact any effort to heal our nation s wounds will fail without reparations In *Rebirth of a Nation* Goza exposes lesser known aspects of racism in American history and how Black people have consistently been depicted as responsible for their own oppression to justify slavery Jim Crow mass incarceration and gross inequality Goza s iconoclastic and incisive account exposes how revered figures like Thomas Jefferson and Abraham Lincoln embedded white supremacy deep into our nation s consciousness and how Ronald Reagan manipulated this ideology so that society cheered as he advanced a set of policies that wounded our nation and intensified Black America s suffering But *Rebirth of a Nation* is not merely about accountability It is also about

hope A reparations process is not a utopian dream Goza offers a practical path toward closing the racial wealth gap Rebirth of a Nation shows readers how they can join the reparative process working toward the creation of a more perfect union Foreword Reviews INDIES Book of the Year Award in Religion Finalist 2024 *The Black Church Studies Reader* Alton B. Pollard, Carol B. Duncan, 2016-04-29 The Black Church Studies Reader addresses the depth and breadth of Black theological studies from Biblical studies and ethics to homiletics and pastoral care The book examines salient themes of social and religious significance such as gender sexuality race social class health care and public policy While the volume centers around African American experiences and studies it also attends to broader African continental and Diasporan religious contexts The contributors reflect an interdisciplinary blend of Black Church Studies scholars and practitioners from across the country The text seeks to address the following fundamental questions What constitutes Black Church Studies as a discipline or field of study What is the significance of Black Church Studies for theological education What is the relationship between Black Church Studies and the broader academic study of Black religions What is the relationship between Black Church Studies and local congregations as well as other faith based entities The book's search for the answers to these questions is compelling and illuminating *Herd Book of Large Black Pigs* Large Black Pig Society, 1924
