Border Kapka Kassabova,2017-09-05 Kapka Kassabova returns to Bulgaria from where she emigrated as a girl twenty five years previously to explore the border it shares with Turkey and Greece When she was a child the border zone was rumored to be an easier crossing point into the West than the Berlin Wall and it swarmed with soldiers and spies

Mapping Versatile Boundaries Regis Darques,2016-09-10 This book demonstrates the pivotal role played by state confines in the geography of Balkan countries through powerful GIS and remote sensing analyses It provides unique mapping

perspectives on the Balkan region with over 140 illustrations The book is dedicated to applied historical and economic geographers as well as political scientists Because of its high fragmentation the Balkan area has not been studied on a systematic transnational basis The persistence of frozen and or open conflicts has also turned the border issue into an absolute taboo subject for the scientific community and civil society This results in an apparent chaos that most Western observers fail to understand *Analog Science Fiction & Fact*, 2007 **Firestarters!** Stuart Crainer, Des Dearlove, 2001 In the past managers put out fires In the future managers will light the fires of enterprise On the innovation frontier ideas talent and capital move in perpetual free flow They move where the money can be made or will be made at some time in the future But in traditional companies ideas talent and capital can ossify rather than multiply Despite the rise and fall of the dot com sideshow the days of the traditional corporate model size central control and no stake for the talented look numbered when it comes to creating and delivering value from new ventures Business needs to get better at starting the fires of enterprise Firestarters examines the best of the start up and corporate worlds to describe an organization where entrepreneurial zeal lives and where resources flow quickly and profitably to the best new ideas Firestarter organizations create entrepreneurialism through motivation and context They work like this New models They explore new organizational models They are not stuck in the past of military or mechanistic models The empty organization They realize that they need to be lean and efficient They outsource They focus on what they excel at Launch and learn They are adept at moving quickly with ideas making them happen now Networked They are networked internally and externally They continually seek out new network partners Local area networks And they network intimately with those in their geographic area They turn neighborhoods into networks Work with meaning They provide values and meaning for all those who work with them Entrepreneurial In a word Firestarter Inc glows with entrepreneurial purpose **The Psychology of Social Change** Leo Schneiderman, 1988 This book attempts to show how motives emotions psychological defenses and unconscious mental processes affects social change Using the constructs of psychology sociology and anthropology the author builds a conceptual bridge between the individual and small groups and social processes Several significant dimensions of social change are analyzed including the emergences of new insights on the part of the individual changes in social roles and social controls organizational change and new trends in art and religion **Governing Immigration Through Crime** Julie A. Dowling, Jonathan Xavier Inda, 2013-03-27 In the United States immigration is generally seen as a law and order issue Amidst increasing anti immigrant sentiment unauthorized migrants have been cast as lawbreakers Governing Immigration Through Crime offers a comprehensive and accessible introduction to the use of crime and punishment to manage undocumented immigrants Presenting key readings and cutting edge scholarship this volume examines a range of contemporary criminalizing practices restrictive immigration laws enhanced border policing workplace audits detention and deportation and increased policing of immigration at the state and local level Of equal importance the readings highlight how migrants

have managed to actively resist these punitive practices In bringing together critical theorists of immigration to understand how the current political landscape propagates the view of the illegal alien as a threat to social order this text encourages students and general readers alike to think seriously about the place of undocumented immigrants in American society

The Face of Urban Poverty in the Cinema of Brocka Veronica L.
