Two men attempt to rob a bank in Brooklyn They fail miserably the money they d hoped for isn t there the cops get tipped off immediately and within 30 minutes they re in a hostage situation with the FBI Things really get crazy when reporters learn that one of the robbers is gay and married to a trans woman The crowd of journalists and onlookers grows into the hundreds desperate for a glimpse of this charismatic live wire who s robbing the bank not for greed or thrills but to fund his partner s sexual reassignment surgery Sound familiar This is the plot of *Dog Day Afternoon* the 1975 film directed by Sidney Lumet and starring Al Pacino John Cazale and Chris Sarandon It remains a high water mark of New Hollywood where the best acting talent of the day came together on a film that was truly exceptional But equally exceptional was the fact that the film was based on a true life incident Drawing on extensive archival research film historian Rachel Walther delves into the film s backstory tracing how an unbelievable true crime tale of love bank robbery and LGBTQI activism became a box office smash and catapulted a group of Brooklyn outsiders into the media spotlight Name checked on TV shows from *The Simpsons* to *Drunk History* and now a Broadway play *Dog Day Afternoon* s legacy continues to inspire filmmakers writers and actors Walther s deep dive interrogates the film s place in the 1970s zeitgeist set against a background of antiwar activism and the fight for gay and trans rights and in doing so shows its continuing relevance today      [The Winning Spirit](#) E.
